

Archives Annual Sub-Committee Report 2014

October 7, 2014

Storage Facility- Working with Donald (Archivist) and Chuck (Assistant Archivist) – we created a binder for archival items on Mini-Assemblies and a binder for archival items on the EPGSA convention for membership viewing.

We located a film that GSO produced in 1981 called “Alcoholics Anonymous An Inside View” which is now available on DVD format in the area library. District 24 showed this film at a workshop they hosted.

Website-We continued to locate and scan Archival items for storing and display. Currently on the website the items posted are 1) Meeting Directories from 1946 ,1956, and 1974. 2) World AA Directory 1951. 3) Grapevine dedicated to Dr. Bob in 1951. 4) History of the Guest Observer, Mini-Assemblies, and Pre-sharing Conference.

Events attended- We Attended several workshops, Four Share-A-Days, The PA state Convention, and Penncypa. The committee also took a trip to GSO in July and met with the GSO archivists.

Miscellaneous-We completed a third new display board for area events. In process on completing an Archives Donation form.
