

**Panel 65**  
**Quarterly Area Committee Meeting**  
**Alt-Delegate Report**  
**March 08, 2015**

Good Morning DCM's and Officers

**DCM Orientation (January 04, 2015)**

Our DCM Orientation was very well attended, a thank you to our host, District 66, for a job well done. The presenters were 7 Past Delegates and 2 Past DCM's, they touched on many topics, and the feedback and participation of the DCM's was very positive. Thanks to all of you for your attendance, and cooperation.

**NERAASA (Northeast Regional A.A. Service Assembly February 20-22, Somerset, New Jersey)**

Thank you for the opportunity to attend NERAASA. I joined in on both of the Roundtable Workshops (Delegate / Alternate Delegate) it was geared toward first year Delegates who would be attending the Conference for their first time. There were many suggestions, and information from the second year Delegates on what would be needed and what to expect.

Also the NERAASA panel presentations touched on a variety of topics, Social Media being a fairly big one, all of the presenters did a great job in their preparation and research for their topics. Congratulations to our very own NERAASA participants: Mandy G. (DCM District 23) was a presenter on one of the panels "A Service Structure for Non-Geographical Districts " (Online Meetings). Also a thank you to Caroline N. for stepping up to be the recorder for the Young People Roundtable report backs. Attendance at this year NERAASA was very good. The hosting Area 44 (Northern New Jersey) did a fabulous job.

**Intergroup Liaison**

This year Share-A-Day with SEPIA / EPGSA was held on Feb. 15, 2015. The weather was very, very cold, even though the weather was unfavorable the turnout was about 150 people. The presentations and the workshops all went well. Thank you to all who attended and participated. Next year will be our turn to host the combined efforts to cooperate in carrying the message to the still suffering Alcoholic. As always we are looking for ways to improve in carrying the message, so as the Liaison to the Intergroups I am asking for suggestions from each one of you, as to what you would like

**Over>**

to see at the Share-A-Day next year. Please forward any and all suggestions to me via email, or U.S. Mail. So that we may do our part in making this a successful event. I have been very busy visiting some of the Intergroups throughout Area 59, and with help of the liaison from Lancaster I/G Justin S. and the intergroup / Districts 34, 63, 64 members we have put together a Share-A-Day scheduled for May 16, 2015 and completed a program for this event. I am also in the process of working with four other Intergroups at the present time in efforts of putting together two joint Share-A-Days one with Hanover and York and the other with Harrisburg and Cumberland Valley. I am asking that all the Area Sub Committee be proactive in their attendance at All Share-A-Days as they become a part of our Area Calendar of Event on our Web site. I had requested an invitation to the SEPIA Steering Committee meeting, (It is by invitation only) to become a little more familiar with SEPIA, and they have granted me an invitation to attend. I will be scheduling my visit with them in the upcoming months. I will be continuing my efforts to visit each and every one of the Intergroups throughout Area 59 to possibly assist in planning more Share-A-Days.

### **YPAA Liaison**

As the liaison to the YPAA I am trying to get more involved with their committee as well. I did have the honor to serve them by facilitating the Advisory Committee Inventory, on January 25, 2015 that was held at the 521 Club in Lancaster Pa. I also attended their Convention Host committee meeting the same day. The committee has ask me if I would conduct their NEPYAA Elections according to our Third Legacy procedure on March 29, 2015 in Scranton Pa. and I graciously accepted. So I will continue to build our relationship in cooperating together to help carry the message. (Note: YPAA & Area Meetings)

### **General**

I have received the back ground material from our Delegate for the 2015 Conference. I will be reading through the material, in preparation that if I am needed, I will be prepared. Let us all be fully supportive of our Delegate Pat F. as she represents Area 59 at the Conference, and one of the ways we can best offer our support is to attend and fully participate at the Pre Conference Sharing Session (PSCC) on April 12, 2015. I thank you for the privilege to serve.

Area 59 Panel 65  
Alternate Delegate  
Paul M.
