Archives Subcommittee First Quarter Report Panel 65-2015

I. Summary of subcommittee's activities the past quarter

The Archives committee has met four times during the past quarter; two were business meetings held on 12/14/14 and 1/4/15. The business meetings included reviewing the Delegates recommendations, planning which recommendations to focus on and setting dates for working meetings (3a). The other two were working meetings at the storage facility in North Wales held on 1/17/15 and 2/7/15 with another working meeting scheduled for 3/14/15. The working meetings were

Chuck G Area Archivist Assistant approximately 3 hours each and involved continuing to scan, organize and store Archival items (4&5.) The Archives Workbooks were delivered at the 2/7/15 meeting and committee members were encouraged to become familiar with these (1).

I. Significant Developments

The Secretary has completed a list of Districts that do not have an Archives committee (part one of 8). 29 of 48 districts reported having an Archivist or Archives committee; some of these are informal or unofficial ie de facto with a current or past Area representative. Only 8 districts had yet to respond with another 8 districts requesting a presentation at a monthly meeting in the future. We will continue to work with districts that would like further assistance (part 2 of 8)

II. Update of progress on Delegate's recommendations

In addition to the items noted above, we have scheduled a representative from the sub-committee to be present at every event currently scheduled through March (15&17) Archives Group binders are being completed to accompany this representative (18) A van trip to GSO is being scheduled for the summer (6).

All DCM's are reminded they are all de facto members of this committee (10), that their minutes are to be sent to the Archivist monthly at archivist@area59aa.org (7) and that historical information about their district can be collected (13) and forwarded to the Archives committee on a Group History Form-see attached (14).

Respectfully submitted,
