

March 2015 Quarterly Report Grapevine subcommittee Area 59 Panel 65

The Grapevine subcommittee has been busy this quarter.

-Kathy T. had her display at her districts (65) annual breakfast. Kathy sold books at that event.

-Mike K. took his display to Cumberland Valley Intergroup Event in Carlisle PA and to a Spanish Event in his district.

-Ann Marie C. took her display to a combined intergroup workshop on April 26th in Temple PA. I have been in touch with 5 new GVR's. All of them were looking for guidance in their new positions. I was able to direct them to the "A Guide to the AA Grapevine" workbook. I read the pages that were important to the new GVR's and was able to tell them what pages to read. All the information was the description and activities to help them be successful GVR's. That was a rewarding experience. It helped to also make me a more informed Committee Chair. I wish we had a current copy in print for all us to follow without having to keep going to the website.

-All 3 of us were out at our events promoting the importance of the grapevine to all; whether or not they have a computer to keep up with the current reading.

Ann Marie C, DCM District 54
Grapevine Subcommittee Chair

Jim B. DCM District 56
