

**Panel 63**  
**Chairperson Report**

**March 08, 2014**

Good Morning DCM's and Officers of Panel 63

Here we are already at the 2<sup>nd</sup> AQM of 2014 The past 3 Months for me have been very busy and exciting to say the least. As we continue on are journey in severing Area 59 I just want to reiterate, that I am always available to each and every one of you, please if there is anything I can help you with don't hesitate to ask.

NERAASA

I would also like to take a moment to thank Area 59 Panel 63 committee once again for allowing me to attend NERAASA 2014, which was held in Rhode Island.

For me it was a weekend filled with excitement, it just seems like the more of theses assemblies I attend the more informational they become. Having the pleasure of serving as your Chairperson for area 59 over the past year, it made a difference this year when I sat in on the Business meeting that was held Saturday Afternoon. I was able to follow along with the business that was at hand much better than in the past. I must say for me to watch the Chairperson Jim perform his duties was a pleasure to see, and also a very good learning experience for me as well.

Once again this year I attended the Chairperson Roundtable, and as I listened and participated in the topic. "How do we get more people involved into Area service." I must say that being a part of Area 59 I am truly Blessed, what I mean by this is that even though it seems like we have our struggles here in Area 59 it is no ware near the struggles that so many of the other 15 or so Area's have to face.

The second topic was "Duties of a Chairperson at Area Level." As far as this topic went there are some similarity, but many more differences in our duties, depending on what part of the Northeast region you are from. It was very interesting. Area 59 Rocks. But keeping it simple we are all still carrying the message to the still sick and suffering Alcoholic.

So I must say that this year once again was very educational, fun, exciting, and all that one could ask for at an assembly. What a Blast thank you all so much for this opportunity.

.I would like to continue to encourage everyone here, or in the fellowship, to try and get to the next NERAASA 2015. And enjoy a wonderful experience of your own kind.

In Love and Service  
Only, By God's Grace  
Area 59 Panel 63  
Chairperson, Paul M.
