The Corrections Subcommittee continued, in the 3rd quarter of Panel 65, to facilitate and share the message of Alcoholics Anonymous with alcoholics both inside and outside “the walls.” This is done working in conjunction with Corrections professionals, but mostly through communication between AA’s on the inside and those on the outside.

Area 50, NJ, Corrections Coordinator, David E., contacted the subcommittee about obtaining “Extra” literature for the Huntingdon County Prison Meeting Room and Library. The inmates have only recently been allowed to bring the books back to the cells with them so the demand has increased. (Del rec 7)

4 Pre-release contact requests have been received this past quarter

They have been forward onto the local Intergroups (Sepia, ABE(Allentown, Bethlehem, Easton) as well as Districts 43 and 37.
