

Panel 65
Quarterly Area Committee Meeting
Alt-Delegate Report
September 13, 2015

Good Morning DCM's and Officers

This quarter has been slightly busy serving as the Alternate Delegate, and continuing to carry out my duties throughout the summer months. Attending District meetings per invitations and also, attended a number of Workshops within Area 59, I had the pleasure of a couple speaking engagements as well. (Refer to Travel Log)

The Delegate has assigned me to serve as the Convention Coordinator for this year E.P.G.S.A. Convention to be held Nov. 13-15, 2015. Along with many other responsibilities that come with this position, the one that I believe is **most important** is the need for Volunteers, and organizing of the Volunteers for the convention. I had sent out the flier and the sign-up sheets to each of you, via email, please be so kind as to have your GSR's, and yourself take the sign-up sheet and the fliers back to the home groups so that we can get as many members as possible to volunteer. I would ask that I have these sheets back to me as soon as possible, either by email, U.S Postal Mail, or you can just hand them to me, **but no later than October 18th** which is the date of our Area Inventory. Please continue to invite me out to your Districts so that I may continue to be of service to our fellowship.

Note: Those individuals who have volunteered to be on the Area Day Ad-Hoc Committee, we will meet today at lunch time.

Intergroup Liaison

Continuing my inter actions with the Inter Groups throughout Area 59, of keeping an open line of communication with them, also helping with planning for the 3 different Share-A-Days, that are quickly approaching us. In the month of October there will be three different SAD, The dates are October 03rd Hanover/York, October 10th Harrisburg/Cumberland Valley, and the October 17th YPAA, (Please see Area Calendar for Locations) I would like to ask that each Sub Committee please have someone from your committee to attend each of these events if possible, thank you.

YPAA Liaison

On August 14-16 YPAA held their State Convention hosted by the DELCO Bid Committee in the Philadelphia area. What a pleasure it was to attend such an exciting and enthusiastic convention, filled with much energy. The weekend event was very well

planned, some excellent workshops, and speakers. Also one of the most interesting things for me was their Bid Committee process I was able to become much more familiar with the Young People in A.A. and their way of carrying the message in our fellowship. The participation at the Bid to host the next convention was absolutely awesome they had 4 actual bids Pittsburgh, Bethlehem, York, and Shippensburg along with 2 Token Bids Harrisburg and Lancaster. And after all the Bids were presented they announced that evening Pittsburgh was awarded to be the Host Committee for the PENNSCYPAA XXVIII 2016. What a very nice experience. Thank you for allowing me to attend this Convention.

Other activities throughout YPAA

The YPAA committees throughout Area 59 are all very active in carrying the message in so many different ways, just to name a few, such as Workshops, Dances, Dinners, Panel Discussions, Baseball games, starting young people meetings throughout Area 59 to encourage people in our fellowship and to show that A.A. truly isn't a Glum Lot. I also had the pleasure per our Third Legacy Procedure to facilitate along with help of our DCM from District 64 Kenney R. the Election for the Lancaster Bid Committee Officers, for their up and coming Bid Committee. They had 43 people show up for this Election for Officers what an example of people wanting to get involved in **Service.**
