The committee has formulated suggestions for Delegates recommendations for Panel 65. We are also putting together a proposal for the committee change over in December, 2014.

Presently we are working on a letter to Probation, the District Attorney's Office and Judges to see if we can be of service by providing information through a presentation or literature. We also plan on contacting public libraries and schools to see if they have or would like to have some literature for their libraries on Alcoholics Anonymous.
