

Panel 65
Quarterly Area Committee Meeting
Alt-Delegate Report
June 14, 2015

Good Morning DCM's and Officers

Since our last Area Meeting in March I have been very busy carrying out the duties assigned to the Alt-Delegate.

The same weekend of the last Area meeting I had the opportunity to attend "NERD" (Northeast Regional Delegates), held in Rhode Island. At NERD I had the chance to meet and participate with many past and present Delegates, along with Alt-Delegates from the Northeast Region, learning more about some of the many things that are needed to be done as part of the preparation for the General Service Conference, in which all Delegates attend every year in April. I thank you for this opportunity to learn more about representing Area 59.

I also had the pleasure of attending a number of District meetings, speaking engagements, workshops, and of course "NERF" (Northeast Regional Forum) which is always a wealth of information from the G.S.O. Staff, Trustees, and also the presenters on many different topics. What a great weekend it was, it is one of my favorite events.

I Attended our PCSS (Pre Conference Sharing Session) held in April, there was fairly good attendance, it also helped in offering much feedback of Area 59 conscience on some of the Agenda items for our Delegate to carry with her to the Conference.

I Attended Both DCR (Delegate Conference Reports) / Mini Assemblies, the first one was held in Bensalem, Pa. on June 07, 2015 the second one held in Selinsgrove, Pa. on June 13, 2015.

Intergroup Liaison

- I had a chance to attend my very first "Round Up" which is held in Cape May N.J. every year by SEPIA. It was very well attended and lots of good meetings, along with Inter Group Sub Committee presentation which I thought were very well done. And the Beach Meeting on Saturday with several hundred people what a blast that was.
- I also made a visit to the SEPIA Steering Committee held in Philadelphia per an invitation approval from the committee.
- I Attended the Lancaster I/G - "Hand of A.A. Convention" at the Lancaster Host Resort on May 02, 2015.

Over>

- On May 16, 2015 we held our third annual SAD (Share-A-Day) between Lancaster I/G and EPGSA at the 521 Club, with an attendance of about 80 members.
- In my effort to help to continue in cooperation with the other Inter Groups throughout Area 59 I have made a number of visits (6) within Area 59 to the Inter Groups, with much success with their cooperation of wanting to participate in our Share A Days.
- At this point we have York and Hanover working together, we are scheduled to have a Planning meeting for the SAD event on July 25, 2015. Location still TBD. Also the date of the event is scheduled for October 03, 2015 more details to follow.
- With Harrisburg and Cumberland Valley we held our Planning meeting on June 04, 2015 in Harrisburg, which went very well, and we have set a date for SAD to be held on October 10, 2015 from 9:30 -12:30 in the Mechanicsburg area (exact location TBD), which would be centrally located for both I/G's. Fliers will be available for the next Area meeting in September if not before.
- In my visit with AB&E and Reading/Berks I/G's there is much interest in joining together to have a SAD event, although at this point we are thinking of more like early 2016 the second part of panel 65. We are still in the very early stages of planning.
- NEPAIG held their SAD in April, I was unable to be in attendance do to prior commitments. From my understanding participation was good.
- Lebanon I/G now has a new Chairperson, (Travis) whom I have had a chance to meet, and will be attending their I/G meeting as well, in the very near future.
- The Alt-Delegate will no longer be serving as the liaison to the Spanish District / I/G it has been reassigned to our Chairperson Melanie S.
- I would like to ask that **All** the Sub Committees, to be so kind and have someone from the committee attend the SAD's with their displays.

YPAA Liaison

- On March 29th I had the pleasure to serve as the facilitator for the newly formed NEPYPA. Since this time they have been working very hard at cooperating with the I/G and District in the NE.
- NEPYPA Has a Standing Traditions of the month workshop each month at 3 West Olive Street, Scranton, Pa. from 2-4.
- Held it first event on Friday June 12th an open mic / Ice cream social.
- They are currently in the process of writing its By-laws.
- Recently held a CPC (Cooperation with the Professional Community) presentation at the Lackawanna County Prison. And has been invited to conduct a Big Book workshop as well.
- They have Standing commitments at several Institutions, maintains literature racks at local schools, universities and institutions.
- YPAA Members participate and serve on the District 39 committee as well as I/G committee.

Over>
