Archives Subcommittee Second Quarter Report Panel 65-2015

I. Summary of subcommittee's activities the past quarter

The Archives committee has met three times during the past quarter; one was a business meeting held on 3/8/15. The focus of that included reviewing the Delegates recommendations, planning which recommendations to focus on and setting dates for working meetings (3a). There were two working meetings at the storage facility in North Wales held on 3/14/15 and 4/18/15 with another working meeting scheduled for 5/16/15. The working meetings are approximately 3 hours each and involve continuing to scan, organize and store Archival items (4&5.)

I. Significant Developments

Most members of the Archives Sub-Committee participated on the Archives and Policy/Admissions Committee at the Pre-Conference Sharing Session in East Earl on April 12. The Committee reviewed and voted on agenda items to form the group conscience for the delegate to bring to the General Service Convention.

We want to recognize the significant work that David H put into our committee as secretary. He was asked to move to a different sub-committee as they lost a member and needed another member; however he said he would continue to come to our working meetings at the storage unit. We are grateful to have his continued diligence whenever possible. We also want to acknowledge our past advisor Melanie S and welcome our new advisor Curt C.

II. Update of progress on Delegate's recommendations

We will continue to schedule a representative from the sub-committee to be present at every event currently scheduled in the Area (15&17). Archives Group binders are being completed to accompany this representative (18). A van trip to GSO was being scheduled for the summer; however this is on hold due to renovations at the GS office (6).

All DCM's are reminded they are all de facto members of this committee (10), that their minutes are to be sent to the Archivist monthly at archivist@area59aa.org (7) and that historical information about their district can be collected (13) and forwarded to the Archives committee on a Group History Form-see attached (14).

Respectfully submitted,
Allison D Chairperson DCM D24
Mandy G DCM D23
Ruth D DCM D60
Chuck G Assistant Area Archivist
Donald H Area Archivist
