

Panel 65 Chairperson Report June 14, 2015

I personally want to thank everyone for their gracious welcoming of me in this new role of Area Chairperson. I have been continuing where Michelle M. left off in fulfilling the duties as Area Chairperson. These activities include:

- Keeping close contact with Area Events Planners, DCMs, and Officers.
- Keeping in close contact with the Delegate
- Chairing all Area Functions.
- Preparing Pre-Area Meeting Agenda and AQM Agenda's.
- Helping the DCMs with the selecting of facilities for all Area Events
- Obtaining the services of Spanish Interpreters, and ASL, as needed.
- Making visitation to Districts, and Workshops.
- Advising the Treatment/Special Needs and Literature Subcommittees.
- Liaison to District 68

I would like to take the time to thank all of the Districts for the invitations to Workshops, and also for the opportunity to visit your Districts to share my experience, strength, and hope, as an Area officer.

Please don't hesitate to contact me if there is anything I may do to provide assistance or if you would like for me to visit your District.

Yours in Fellowship & Service
