Literature Subcommittee Second Quarter Report Panel 65 – 2015

I. Summary of the subcommittee's activities the past quarter

The Literature Committee met on the 8th of March 2015, to discuss the Recommendations submitted by the Area Delegate. We planned to advance the current and new material acquired from GSO, by displays, speaking and workshops; at Area, District, Intergroup, Share-a-days. Another element of interest was to contact all districts DCM's and invite them to share their usage of literature in meetings or group participation.

II. Significant Developments to bring our displays to area

Literature was displayed at a few events since the last quarter. The 14th of March we attended a "Speaker Jam" at District 65, Lebanon, Pa. I have spoken at District 27 and District 39, the purpose was to re-awaken involvement in literature. Committee members will be attending upcoming workshops and assembly, displaying binders and display boards and International Translation of AA Literature.

III. Update of progress on Delegate's recommendations

Recommendation #1 – *Become familiar with Literature Committee Guidelines and other selected AA literature that your committee deems appropriate.*

This is an ongoing commitment of all members of the Literature Committee.

Recommendation #2 – *Explore ways in which you can assist Districts in their Literature activities.*

As a group we have offered to come to districts and speak on, or display Literature. Provide current and new pamphlets and catalogs to districts that are in need.

Recommendation #10 – *Develop and maintain a binder containing every pamphlet, brochure and guideline produce by GSO and ensure that it is brought to every Area event.*

We have completed three sets of binders, with every pamphlet in English and Spanish.
