

June Quarterly Meeting 2016 Delegate's Report

My sincere thank you for the privilege and honor of serving as Delegate for Area 59. Please accept this new Area 59 pin as a token of my appreciation for all that you do on behalf of Area 59 and AA as a whole.

Pre Conference Sharing

My sincere thanks to all who attended the Sharing Session in April and for all who voiced their conscience on agenda items that would be voted on at the General Service Conference in New York. It provided me with very important guidance. I kept the results by my side all through the conference proceedings.

66th General Service Conference

Thank you sincerely for the greatest AA experience in my life. While I really did not believe anything could have been better than last year's conference, believe me, being second year Delegate was. This year, as second year Delegate, the 66th General Service Conference was even better than last year. It was beyond anything I dreamed of and I am truly, grateful to all of you for giving me the great honor to serve as your Delegate in NY. In the red folder, you'll find information to share with your district. Please refer to our Area59aa.org website for the reports.

Delegate Conference Reports/Mini Assemblies

June 11 was my first conference report sharing. Thank you for attending and lending your support. I look forward to next one on June 26 in West Chester. Please join us. It is the Delegates primary responsibility and I'd like to reach as many people as possible. Attendance was good, and now it is imperative that the information is passed on within the fellowship. Districts 45 and 47 have requested Delegate sharing sessions. Please let me know if you wish me to come to a function at your district. I am happy to visit anytime. All reports will be posted on the website. Final Conference Reports will be distributed in September.
