

THE GRAPEVINE SUB COMMITTEE  
1ST QUARTER REPORT  
2016

The Grapevine Sub Committee plans to continue its efforts to get the message to the all members that the Grapevine in print, is a great 12<sup>th</sup> step tool. Besides the Grapevine in print, the Grapevine is available in audio and digital formats.

The Grapevine Sub Committee is drafting a flier to be distributed at the quarterly meeting on March 13<sup>th</sup>. The flier will inform districts that the Grapevine Sub Committee members, are available to visit meetings and other events in their districts to set up their displays, sell Grapevine products, have subscription forms available and answer questions about the Grapevine website. The Grapevine website is on the flier we have distributed.

Do you have a GVR in your area? It is a great position for anyone looking to service for their group or on a district level. They can register on the Grapevine website [aagrapevine.org](http://aagrapevine.org).

Gratefully in Service,

Mike K,	District 45
