

Area 59 Ad-Hoc Literature Sub-Committee Report

March 12, 2017 Quarterly Meeting

The committee reviewed the delegates recommendations and started to work on their fulfillment. Glenn purchased three 16-pamphlet literature display racks, committee members will decide which pamphlets to place in racks at next meeting. Racks will be used to display literature at workshops, district and area meetings. Committee will use the existing 6 binders (3 English/3 Spanish) which contain all pamphlets and guidelines issued by the General service Office, we will add a table of contents page and number each page to make it easier to find each item. Committee will also add A.A.W.S Literature order forms, as well as local Intergroup Literature order forms to binders. We will use existing 6 Area 59 Literature Committee Display Trifolds for now, and make new ones as needed. Committee will distribute flyers to each DCM encouraging them to invite Area Literature Committee to workshops and district meetings to talk about new and existing literature. One of the Delegates recommendations was to give a presentation each Area meeting on a pamphlet chosen by the literature committee. Our first presentation will be on the pamphlet "Many Paths to Spirituality". Several members of the committee will be attending NERAASA, hoping to talk to other literature committee members from the Northeast Region, and join in the literature roundtable discussions. Committee secretary, Alicia S. will serve as our liaison to the General Service Office. Pete B. will be our liaison to the other area committees, asking them if they need any help with literature or would like to host a combined workshop. Committee member Jason W. suggested we reach out to all Area 59 Intergroup offices to find out about events which may not be on the Area 59 website, to see if they would invite us to participate. Jason agreed to be our Intergroup liaison. Glenn and Pete will talk to Area 59 Grapevine Committee chair to discuss combining both committees into one standing committee, as per delegates recommendation. Glenn will reach out to districts not currently being served by an Intergroup, to see how the committee could help them with their literature needs.

Yours in Service,

Glenn S. –Chair

Alicia S.—Secretary
