

Panel 63, Quarterly Area 2013 Finance Committee

Q4 Subcommittee Chairperson Report: August 15, 2013

The Finance Committee has compiled finance literature, printed and stuffed EPGSA 7th Tradition envelopes; and distributed to all committee members and throughout our particular districts.

Members have attended local workshops and Area Events with educational displays about our 7th Tradition and the various works that the financial resources make possible to carry the message.

Laura C. (DCM 56) has been reassigned to the Public Information subcommittee. The Finance subcommittee also welcomes new member, Jason S. (DCM 22).

The Finance subcommittee supported the initiative to purchase general liability insurance to replace a limited liability policy that had been carried to cover only the annual convention. The new policy covers all EPGSA events such as quarterly meetings and Mini-Assemblies. (It does not cover individual groups or districts and the events or meetings they sponsor.) Please contact the Area 59 Treasurer at treasurer@area59aa.org or refer to the GSO service guidelines regarding financial practices relating to liability insurance.

The subcommittee is reviewing the 2013 Budget to determine whether potential 2013 budget changes are advisable. It is not clear that the budgets need be changed at all since we are entering the final quarter of our fiscal year (Dec. 1, 2012 – Nov. 30, 2013). We will make recommendation(s) – if needed - after the review is completed.

Meeting will be scheduled with the subcommittee in October to do a "committee" inventory as per delegate's recommendations.

Respectfully Submitted
