CPC Subcommittee Report Q2 2017

Response to Delegate Recommendations

Operational

Recommendations

1. Become familiar with the Cooperation with the Professional Community Kit & Workbook, the Cooperation with the Professional Community Guidelines and other selected AA literature that the subcommittee deems appropriate.
6. Update CPC displays as needed.

Action

1. Committee members are continuing to familiarize themselves with the CPC Workbook and other selected and related literature in order to be better equipped to carry out our CPC duties.
6. The committee understands that our audience is mainly professionals who come in contact with alcoholics and thus we believe that our displays should reflect the fact that our audience is unique. Therefore, we agreed to update and upgrade our displays, believing that this is a wise investment in our future

High Priority

Recommendations

2. Explore ways in which you can assist Districts—particularly those without Intergroups/Central Offices—in their CPC activities.
3. Address all referrals from the CPC Coordinator at GSO promptly.
5. Assign subcommittee members to Districts to help cover the responsibility for bringing CPC displays and presentations to District meetings and workshops to minimize travel demands.
7. Provide a CPC display at all Area events, including our annual Convention/Assembly, District workshops (if invited) and combined Area/Intergroup, YPAA functions such as Share-A-Days. Each subcommittee member should have their own display and literature to distribute at such events.

Action

2. The committee has been asked to aid District 40 in establishing a district level CPC

Committee. This effort will be ongoing during the coming quarter.

3. Any requests from the CPC Coordinator at GSO will be treated as top priority and to the best of our ability will be handled expeditiously.
5. To date assignments for CPC displays have been handled on an *ad hoc* basis. That seems to work well based on member availability will continue.
6. This quarter CPC displays were provided for PCSS on April 2 at the University of the Sciences in Philadelphia, PA, and the GSR Orientation Districts 23, 29 in King of Prussia on May 13. Of course, as always, we will have a presence at the quarterly Area 59 Meetings.

The committee wishes to provide to each DCM within Area 59 selected pamphlets and other relevant literature in order to help them understand the function of CPC and to enable them to facilitate CPC activities within their respective districts. To that end, the appropriate literature has been selected, and will be ordered and distributed in the coming weeks.

Respectfully submitted by the CPC Committee,

Richard W. D56, Chairperson

Randy H. D25

Brian K. D61

Leonida S. D65

John H. D29, Secretary
