Area 59 Panel 63 Structure Subcommittee Report
4th Quarterly Meeting Area
September 8, 2013

In Area 59 Quarterly Meeting 3rd Subcommittees Structure / Literature brought a motion to discontinue Area 59 Literature Subcommittee . After discussing this issue was voted on and approved. The Pennsylvania State Convention called Area 59 to offer and sell literature at the convention. After checking to make sure he was not interested Intergroup , we agreed to this request. Steve B. offered to load the rest of the literature we have had in hand (no additional documentation was purchased) and sell not some, but all of this literature. Along with the books sold at the convention we have brochures available AA Area 59 . Feel free to read and take the pamphlets you may need please .

A printing company for Area 59, 2013 Structure Manual has been selected and the process of obtaining these manuals produced has begun.

Structure Subcommittee began to prepare for a workshop at this year EPGSA . This workshop will be the (big surprise) the updating and development of manuals structure .

We have also begun planning a DCM sharing session for the first part of 2014 . The purpose of this will be for DCM to address the problems and concerns that after serving for one year.

The Sub- structure is always happy to help districts structure their activities . Feel free to contact me at any time.

Yours in service,
