

## **Delegates Report**

**December 10, 2017**

### **Good Morning Area 59 Panel 67 DCM's and Area Officers**

#### **Subcommittees**

Congratulations and thank you to all the Sub Committees for the outstanding workshops held at our 60<sup>th</sup> EPGSA Assembly/Convention. There were many compliments about the presentations, people expressed their comments about all the thought and hard work that went into the preparation by each and every one of the sub committees, also the Fun Shop was well done.

And a special thanks to Lancaster Inter Group for their participation of selling A.A. approved Literature. Kudos.... To everyone who help make the Convention a success, Volunteers, Past Delegates, etc.

#### **General Service Office (GSO)**

To bring everyone up to date about the Big Book manuscript issue, as a member of the GSC and Delegate for Area 59 on November 28, 2017 I did receive a email from Greg T. General Manager at the GSO about the Big Book manuscript, This information has been forwarded to all of Area 59 Committee members.

The deadline for Agenda Items to be sent in for the General Service Conference (GSC) is December 15, 2017.

The background information should be available to us by mid - February I will keep the committee up to date, and will make it available to the committee as quickly as possible once I receive it.

The GSO has implemented a plan for translation of Conference background information for the 2018 GSC into French and Spanish to be done by professional translators for this first year.

Please share with the members of A.A about our upcoming Pre Conference Sharing Session (PCSS). This is an opportunity for your voice to be heard on what your thoughts are about the 2018 Agenda Items.

### **Technology Servant**

As everyone knows by now our DCM for District 44 Corrine O. has stepped down for personal reasons and I would like to thank Corrine for her service that she has given to Area 59 and A.A. we wish her the very best.

With Pete B. stepping into the DCM position for D-44 we have a vacancy in the Tech Servant position although Pete B. has offered to continue to help with this position until the March Area meeting. So we are in need of filling this position with someone other than a ADCM position. So please take this information back to your Districts and for any one who is interested in this position please forward to me [delegate@area59aa.org](mailto:delegate@area59aa.org) their qualifications. I have set a deadline for January 27, 2018 to receive qualifications, in which I will then appoint a replacement.

### **NERAASA – February 23<sup>rd</sup> – 25<sup>th</sup> 2018**

Save the Date. Please get your reservations in if you plan on attending, unfortunately all rooms at the Hotel where the event is being held are completely booked. There are other hotels in the local area with rooms still available.

Lastly, in your folder you will find a Travel Log of my activities from the previous quarter, along with a correction to Septembers Travel Log.
