**Fourth Quarterly Area Meeting
8 September 2013
Delegate's Report**

Correction to Delegate's Reports

It was mistakenly reported that there would be a change in the Primary Purpose card (Blue Card). This is not so, no change was approved by the 63rd General Service Conference. My apologies for any misunderstanding.

56th Annual Convention and Assembly

All DCM's are expected to be present and arrive prepared to participate in Committee workshops at our annual Convention weekend, Friday - Sunday, November 8-10, 2013. Committee chairpeople are to coordinate the weekend workshops and the committee members are to assist in this effort. A sample program has been provided to each DCM. The program is a draft; but remember it is confidential; last names are used.

Area Inventory - Sunday, October 20, 2013

Spread the word and get people from your Districts to attend. Please invite all members to our Area Inventory on Sunday, October 20, 2013 in District 38. Flyers are in your packets from our Chairperson and information is also available on our website. Terry F., past Delegate from New York City will be our Inventory Moderator and guide our discussions that day. I guarantee you will find Terry informative, insightful and hysterical. This is our chance to "check the pulse" of Area services and to ask good questions and listen thoughtfully to membership feedback. This is all about finding out how we can do a better job in service and hear what is working well.

Conventions

PENNSCYPAA was held July 19-21 in Mechanicsburg PA, the young people of the Harrisburg region did an outstanding job on this event, the attendance was beyond all expectations, over 400 attendees. The program was meaningful and carefully done, and considering that many of the volunteers were only sober a year or two, we can all learn about enthusiasm for service from these "kids". PENNSCYPAA bid won by exuberant young AA members of Scranton PA

This year's PA State Convention was held August 2-4 in Harrisburg. There were over 300 attendees, great out-of-town speakers and great Hospitality and fellowship.

The Scranton PENNSCYPAA election of officers for the Host Committee was held Sunday, August 10, 2013. Over 40 people came and the elections were very lively, it was worth the trip to share the excitement.

Other Activities & Events

NEPA SOBERSTOCK day-long event had over 450 people in attendance for a fabulous outdoor sober party that raised funds for the Intergroup. Live music, dancing, delicious food and beautiful outdoor fellowship - it doesn't get any better!

Two Convention Committee meetings, plus several opportunities to speak at groups throughout the Area 59 service region.

**Yours in Sober Service,
Steve O, Delegate Area 59**
