

Treatment Facilities and Accessibilities Subcommittee Quarterly Report June 2018

Summary of Subcommittee Activities – March 2018 to June 2018○

- ✓ The committee worked on research for “Bridging the Gap” with the Corrections committee.
- ✓ Networked and researched at NERAASA
- ✓ Committee members worked on their assigned districts within the Area to identify the residential treatment facilities in each district.
- ✓ Presented second BTG workshop on May 12th. Three other districts presented workshops on the same day. Are we using our area 59 calendar

Highlights of the Bridging the Gap research –

- Area treatment and correction committee chairs have all followed the same path to determine a plan of action to implement BTG.
- Every Area that has a program has unique features in place.
 - Some only use a phone number.
 - Some use the Treatment chair across entire area to train.
 - Some developed unique presentations to facilities.
- Printed guidelines seem to be working in larger areas.
- Great story of the most comprehensive guidelines written from Area 69 – Utah.
- BTG is our responsibility to carry the message to newbies coming in.

Respectfully submitted by *Ralph O., Chair (DCM 45)*

T/A Subcommittee Members:

Dan – District 27

Josh – District 34

Stephen – District 38

Ralph – District 45

Ed – District 59

Cirilo – District 68
