

**Alternate Delegate Report
E.P.G.S.A. Panel 69
June 14, 2020
Area Quarterly Meeting, 3Q20 (Zoom)**

During this unprecedented and historic time of the COVID-19 pandemic, I am grateful for our shared commitment to the legacies of recovery, unity, and service. While these are challenging circumstances and much has changed since we were last together in March, our Fellowship has adapted and persevered, thanks to our collective willingness to find the courage to change the things we can. Thank you for your service to Area 59, your district, groups, and members.

 - All intergroups across Eastern Pennsylvania updated their websites over the past three months with information about online meetings and in-person meeting cancellations
 - If your district/groups are served by an intergroup, please ask GSRs and members to make sure we are communicating any meeting changes so that anyone reaching out for help or looking for a meeting can find us

YPAA Liaison Report

- PENNSCYPAA
 - PENNSCYPAA XXXII hosted by Lancaster Host Committee was scheduled for August 21-23, 2020 in Manheim, but is being postponed to 2021, and in the meantime, a digital platform is being explored for an event in 2020 (for the latest information and details, please visit www.lancypaa.com and www.pennscypaa.org)
- Pennsylvania Bid for ICYPAA
 - The 62nd ICYPAA is still scheduled for September 3-6, 2020 in New Orleans, Louisiana, pending the status of the city and state at that time
 - The Pennsylvania Bid Committee is considering a motion to suspend bidding this year as a way to address the risk of travel and gathering in a group of that size (ICYPAA usually attracts several thousand attendees); the motion was made at the June meeting and tabled until the next meeting in July to gather more input and see if the ICYPAA Advisory Council makes a decision first

Area Day 2020 (October 18, 2020)

- The event will be held on Zoom at 1:00 p.m. on October 18
- Planning continues with one representative from each subcommittee serving on the Area Day Planning Committee
- Planning meetings were held in person at the December 2019 and March 2020 quarterly meetings, but as of June, we have shifted to meeting online
