EPGSA Volunteers

- I am responsible for coordinating and assigning volunteers for our annual Convention, EPGSA. We will need greeters, registration, and hospitality volunteers. We need your help to provide the best Convention experience to attendees. Please encourage GSR's and members in your district to consider volunteering
- GSR's, or other voting members, should not sign up for a volunteer assignment during the election assembly on Saturday morning at the Convention.
- The signup form for volunteering is on the Area website. It can also be accessed [here](#) or by scanning the QR code on this report. Please save the link and distribute to your GSRs.

Area Day

- Hard copy flyers have been distributed to all DCMs. Digital flyer is available on the Area website, as well as the QR code on this report.

NERAASA Inventory Committee

Several years ago the Northeast Regional A.A. Service Assembly voted to implement a biennial inventory process. 2023 will be our first opportunity to have an in-person inventory discussion. However, because the Inventory Guidelines state “All past and current attendees of NERAASA should be eligible to participate in the Inventory.” we wanted to cast a wider net. To include people who may have attended in the past but will not be attending this year, as well as people who have never attended, we decided to have part of the inventory be conducted at the Area level. Printable forms can be found by scanning the QR code on this report.

- Please encourage participation in your District. Printable forms can be returned to Pane69@aacny.org
- Electronic forms can be found here

 - <https://www.surveymonkey.com/r/T8WJMSJ> (Spanish)

The committee requests that all replies to the inventory questions be submitted by December 31, 2022.
