

Structure Subcommittee Panel 71 2022 Annual Report

Committee Members:

Judy M. - District 58, Secretary

Jim L. - District 29

Katie M. - District 26

Mike A. - District 66

Bart T. - District 48, Chair

2022 Structure Subcommittee Activity Summary:

- Judy M. volunteered in January to take over as Secretary. Judy organized successful Structure Committee minutes, which were presented monthly to all Committee members.
- The Structure committee met via zoom or in person every month during 2022. We divided up Area 59 to ensure coverage at the many events throughout the 48 districts making up Area 59.
- Structure organized and executed DCM Sharing Day (January 23rd, 2022 in State College, PA).
- Jim L. from the Structure Committee continued assisting Districts with no Structure Manual on creating one, and those that have one, to make sure it is current and up to date. Updated Area 59 Manual list will be forwarded to next panel Structure Chair.
- Mike A., Judy M. and Bart T. continued updating Structure materials, literature, handouts, pamphlets and PowerPoints to ensure continuity as we provide presentations and information at Area 59 events.
- Structure selected Jim L. as our subcommittee member for service to the Area Day planning committee during 2022. Judy M. and Katie M. also assisted at the event held October 8th, 2022 at District 36.
- Structure worked with the Delegate to create a history statement for printing in the 2022 edition of the Structure Manual. The Area History section of the current manual was reviewed to get an idea of the scope of this statement.
- The Structure Committee thoroughly proofread the 2022 Area Manual. Punctuation, grammar errors were corrected as needed. Tables, graphics and charts were reviewed as well to clearly reproduce the final proof. 2022 Structure Manual was printed and passed out at the EPGSA on 11/11/2022.
- Addressed and formulated a list of "Structure" subcommittee recommendations for Panel 73 and submitted these to the Delegate.
- The entire Structure Committee is grateful to have been of service during panel 71. It has been each and every Structure Committee Member's privilege, to be able to help carry the message throughout Area 59 these past 2 years.

Submitted in Love of Service,

Area 59 Structure Subcommittee
