

Delegates Report

June 11, 2017

Good Morning Area 59 Panel 67 DCM's and Area Officers

As usual I have had a very busy past 3 months. I have had a chance to visit several Districts throughout Area 59 for a number of different reason such as GSR Orientations, Anniversaries, district meetings, etc. I'd like to thank each and every one of you for your invitations, and please if I haven't been to your district I am willing to attend.

Pre-Conference Sharing Session (PCSS)

I would like to thank everyone for the participation in our PCSS back in April the information I gather was helpful to me when I attended the GSC. Our attendance this year was a little more than in past years, we are continuing our efforts to try and increase participation of our members throughout Area 59. This year we made all the background information available to the fellowship for the first time, and I thank our Officer At Large Caroline for making that possible. Please if you have any ideas that may help to increase participation and or ways we could improve our PCSS please share them with your chairperson or any of the Officers.

General Service Conference (GSC)

Words can't express my gratitude to all of you and to the members of Alcoholic Anonymous for the opportunity to serve as your Delegate for Area 59 Panel 67, attending the 67th General Service Conference in Rye Brooke, New York it has been a life changing experience for me. I will be forever grateful for this experience. Although I must say that it was a very demanding week as "WE" the conference came together to discuss and deliberate all of the agenda items that were presented for the 67th GSC. For those of you who have had the chance to hear my report back thank you for coming out to the DCR, and for those who haven't heard my report back I look forward to seeing you on June 24, 2017. (*My Pin)

General Service Office (GSO)

Share the Letter from our General Service Office Manager Greg T.

Subcommittees

I have been following the progress of each of the Sub Committees through your reports, and emails, as well as from information that each advisor has been updating me with. I like to thank you all for your participation on your committees. Please continue to stay involved with your committee and carrying your share of the workload. It is very important that we continue our efforts to carry the message to the still sick and suffering alcoholic, as an Area and as members of A A.

NERF (Northeast Regional Forum)

Thank you for allowing me to attend NERF. I had the opportunity to moderator a workshop "A A's 7th Tradition: How money and Spirituality Mix" the weekend was very inspiring, there were also a number of very informative presentation by GSO Trustee's, employee's, Directors, Etc.

Upcoming EPGSA Convention

I know that November seems like a long ways off but actually it will be here before we know it. So each of us will have a role in our convention I have handed out the assignments that each Officer and subcommittee is to fulfill. Each subcommittee will pick a topic and the members present on what their subcommittee purpose is within Area 59 with a couple of exceptions. If you have any questions please ask your committee chair or adviser.

OTHER

As all of you should know by now per email that was sent out, that as of April 11, 2017 our Alternate Delegate Melanie M. has resigned from her position as Alt-Delegate, do to personal reason. We thank Melanie for her dedicated service to General Service and Area 59 for the past number of year. And we wish her the very best in the future.

I would like to give a shout out to all the Districts that have taken the time to hold a GSR orientation for their GSR's. and for those who haven't held an orientation please take the time to do so, if possible do it with other districts that are close to you.

Lastly, in your folder you will find a Travel Log of my activities from the previous quarter.

Delegate, Area 59 Panel 67

Paul M.
