

March 2017 Quarterly Report Grapevine Subcommittee Area 59 Panel 65

The Grapevine Subcommittee got off to a great start this quarter. We are familiarizing ourselves with the GV Workbook - "A Guide to the AA Grapevine", which is available to download on GV's website www.aagrapevine.org. We're taking inventory of our GV literature/subscription materials, updating our displays, and we have determined our subcommittee budget for 2017. We began familiarizing ourselves with the duties and responsibilities of the GV Subcommittee through utilizing the workbook, GV website and Delegate Recommendations as guides. We began assigning subcommittee members to districts within Area 59 for the purpose of visitation to district meetings/workshops. We began exploring ways to assist districts in their GV activities, including drafting a flyer for subcommittee members to distribute to districts/groups to help bring awareness to Grapevine/La Vina and inform others the subcommittee is available upon request. We met this quarter on Dec. 11, 2016, Jan. 22 and will be meeting on March 12. We've kept in communication through phone/email throughout the quarter.
