

June 2017 Quarterly Report Grapevine Subcommittee Area 59 Panel 65

This quarter, the Grapevine Subcommittee continued its efforts to bring awareness of Grapevine and La Vina as a powerful 12th step tool for individual recovery and in carrying the message of AA at group and district levels. We continue to visit groups and districts with our displays and inventories of literature as well as information and resources pertaining to Grapevine/La Vina and how to become a GVR at group/district levels. We have begun maintaining a contact list of group/district reps within Area 59, helping to keep them informed of ongoing Grapevine news and activity. We continue to discuss and take action on the Delegate Recommendations for the subcommittee, focusing on how best we can spread the message of Grapevine/La Vina within our districts and help assist them in their Grapevine activities, including the Philadelphia Grapevine Committee. We continue to encourage subscriptions in support of Grapevine and we continue to familiarize ourselves with our duties and responsibilities as trusted servants in Area 59, learning as we go! We met this quarter in person in March and continued to provide regular communication between each other through email/phone. Our next face to face meeting will be on June 11th.
