

Convention Committee Report  
Panel 71  
March 14, 2021

This is the first Convention Committee report for Panel 71 to the Area Committee.

The members of the committee are past Delegates Marcia G., Marty S., Lowell L., Secretary, Hugh H., Steve O. Chair, Pat F., Paul M., as well as past DCM's Mike S., Ed M., and Suzanne C., Treasurer and Caroline N., Delegate. All committee members have responsibilities for various aspects of the convention and will be outlined as we get closer to EPGSA.

Our hope and goal is to provide a safe in-person event if the appropriate legal authorities allow our fellowship to have such an event. However, if an in-person event is not possible, the committee is making contingency plans for a virtual Convention weekend.

We met twice and have decided that the committee, through our Treasurer, will be responsible for all registrations, have had conversations with the hotel, by past Delegate Paul M., to renegotiate room minimums as well as reduced costs associated with break out rooms and have made the necessary transfer of signatures from Panel 69 to Panel 71 servants.

The financial accounts are practically unchanged as we have not yet incurred expenses with total assets available of \$24,433.48.

We will be planning to visit districts, whether in-person or virtually, in the upcoming months to discuss the convention and answer any questions and thank you for your hospitality.

In fellowship,  
Steve O.
