

# AD HOC LITERATURE SUBCOMMITTEE JUNE QUARTERLY REPORT

## SUMMER GREETINGS AREA 59

First and foremost, I would like to thank everyone who helped in planning and facilitating our workshop that was held on May 29th. A special thanks to our speakers. Judith S., Kenny R., Lucky and Rod. We had about 38 people in attendance. It was an honor and a privilege to be a part of such a moving workshop.

The subcommittee has met 3 times since our last quarterly meeting. This crew of ADCMs are on fire with passion for general service.

The [WE NEWSLETTER MAY](#) Edition has been published and is available on our area website.

If you are interested in writing an article for future editions, please send an email to [literature@area59aa.org](mailto:literature@area59aa.org)

All literature supplies are in the hands of our committee members. Inventory on our literature will be taken over the next few weeks. We will place an order for any needed materials after the inventory is complete.

We are looking forward to upcoming workshops/events throughout the Area. Please reach out and request in advance for the literature committee to come. [literature@area59aa.org](mailto:literature@area59aa.org)

We plan to have a presence at the upcoming Young People's Conference. "Cowabunga dude!!!"

Our next scheduled meeting is June 27th at 3pm on zoom.
