

Chairpersons Report - September 13, 2021

The responsibility to have this meeting in person falls on the shoulders of our Delegate and myself as Chairperson. The decision was not made lightly and significant consultation was sought.

Throughout the process great emphasis was made to work within our 36 principles and the public safety/governmental guidelines. Moving through un-chartered territory, we made decisions based on what we felt was best for AA., following our Panel 71 group conscience.

Area Chairperson Folder:

District 45 Motion - This motion with research documents was sent to the Chairperson prior to the Pre-Area officers meeting to be included in the September quarterly meeting business agenda.

Area Service Calendar - This is a list of events of interest to Area 59. Some you are expected to attend, others are recommended and others are informational. Please note if your district has been selected as a host. As information is updated or added new copies will be emailed to you.

Roberts Rules Modified- Area 59 closely follows the General Service Conference and Roberts Rules. In all of our business proceedings spiritual principals will be our ultimate guide.

Respectfully submitted,
Curt C.,
Panel 71 Area 59 Chairperson.
