**Officer-At-Large/Registrar Report
E.P.G.S.A. Panel 71
September 12, 2021
Area Quarterly Meeting, 4Q21**

Officer-At-Large Report: As we move towards our annual Eastern Pennsylvania General Service Assembly in Lancaster, a small request for area subcommittees. Please let me know as soon as possible what your audio and/or video needs for presentations might be as far in advance as possible. I am also looking for volunteers to assist me with setup and will be most grateful for any assistance that is offered - especially by tech-savvy members of the area. I am really looking forward to seeing everyone in Lancaster in November!

Registrar Report: There are several printed reports in your folder. These reports reflect the Fellowship Connection database as of Sunday, September 5th. There is a **Groups by District** report, which indicates Active, Inactive, Unknown, and Merged groups for your district. The **District GSR List** is just that – a listing of names of GSRs for ACTIVE groups. Finally, a list of **Unknown Active Groups** in Area 59. These are groups for which we have no district assigned. A quick glance at spreadsheets as they were printing proved to be very interesting. There were GSRs listed who are now deceased; groups with 2 GSRs listed, a GSR with an Alberta, Canada address, and an address listed x 2 that included the instruction: “toss package over the back fence.” I am asking you all to look at YOUR district reports and let me know about things that are no longer accurate. My goal is to continue to input data to correct errors so that all groups have the opportunity to be connected to GSO and AA as a whole. I am here to be of service to you and the groups in your district.

Travel Log:

I am grateful for digital technology that allowed me to attend Archives and Digital Communication subcommittee meetings this past quarter. I attended several events on Zoom, from a district workshop to a few hours of the PA State Convention. Looking forward to the return to live events, however, and always up for a road trip!
