

## Finance Subcommittee Quarterly Report

September 2021

The Finance Subcommittee has had several virtual meetings, and has kept in touch via email between meetings.

The Subcommittee has finished a virtual 7<sup>th</sup> Tradition packet, per delegate recommendation, for the website!! Stay tuned for more about this!

The Subcommittee received materials for physical 7<sup>th</sup> tradition packets and they are being assembled for EPGSA. Look for the Finance Subcommittee display to pick up some packets!!

There have been discussions for use of the surplus within the Area:

- equipment for hybrid Area meetings
- funds to task new subcommittees projects that carry the message
- upgrades for equipment and displays within Subcommittees and for Officers
- contribution to GSO

The Finance Subcommittee will be bringing a motion to the December Quarterly meeting, in addition to the Area Budget, to disseminate a substantial amount of the surplus within the Area.

The Finance Subcommittee has reached out to Subcommittee Chairs to help utilize the Area surplus within their respective budgets for the upcoming Area Budget. Finance will begin working on the Budget in October, so be on the lookout for emails from the Subcommittee regarding all things Budget!

The Subcommittee is planning our workshop for the upcoming EPGSA- Virtual Contributions: Why and How. We are looking to explain how virtual contributions work; what platforms are available, as well as the pros and cons of each; how to incorporate virtual contributions at in-person meetings; and more!!
