### **Cooperation with the Professional Community (CPC) Subcommittee Annual Report 2022**

- CPC worked on delegates recommendations through our term on the panel.
- CPC presented on CPC at a few districts in Area59.
- All CPC subcommittee members setup our CPC displays and were available for Q&A at various AA events during panel 71.
- We met monthly via. Zoom the duration of the panel to discuss initiatives, progress and discuss ideas on how to get the CPC message to the professional community.
- We created a video with audio narration to be used for CPC presentations either in person or emailed for to professionals who may have limited time for an in person.
- CPC worked with Area59 intergroups to expand the chaperoning of medical students that SEPIA is currently performing. The initiative made progress but was not implemented outside of SEPIA. CPC will share the work with the incoming panel to see if they wish to continue the effort.
- Our final effort on P71, was focused on a pamphlet drive imitative designed to have group members carry the message to the professional community through AA literature with brief explanation of what we do and do not do.
- CPC maintained all our working files, reports, and presentations on the CPC google drive setup by the area and will ensure it is organized prior to handing off to the rotating in CPC subcommittee.
- It has been a pleasure to serve Area59. From all of us on the CPC subcommittee, thank you!!

Respectfully the CPC Committee,

Paul L. D21
