CPC Report
E.P.G.S.A. Area 59 Panel 73
June 11th, 2023
Area Quarterly Meeting, AQ3 Milesburg

The CPC committee last met at the March Quarterly meeting, at which it was decided to work on creating a business card, as modeled by other area CPC committees. A rough draft of this business card can be found below. Once finalized a Spanish version of the business card will be made available as well. The hope is that this will be distributed to various professional communities and will be made available for districts to use as well. Additionally, CPC has talked about making themselves available for any events to help educate districts/intergroups on the role of CPC. We are continuing to review the CPC recommendations and have been attending various events with CPC pamphlets and the Area CPC display.
