Archives Subcommittee Report E.P.G.S.A. Area 59 Panel 73 3Q2023

During 2Q 2023, the Archives subcommittee held 3 in-person meetings at the storage unit – to file, scan, and organize Archive materials – as well as 1 on-line meeting to discuss Archives business.

The Archives subcommittee visited GSO Archives on March 22 and thanks the Area for the wonderful opportunity.

Representatives from the Archives subcommittee attended and set up mobile displays at several Area workshops and events including District 23 Anniversary Celebration, District 51 Homegroup workshop, and District 40 Spring into Service Work workshop.

The committee reviewed the description of Archives in the Area 59 Structure Manual for accuracy.

The subcommittee continued to discuss purchasing new district binders and research the details including specifications, cost, manufacturer, etc; recommending the Area 59 history in the Structure Manual be reviewed and updated for accuracy; and developing a separate Area 59 Archives booklet.
