

Officer-At-Large/Registrar Report
EPGSA Area 59 Panel 73
March 10, 2024
Area Quarterly Meeting Q2 (Carbondale, PA)

A huge heartfelt *thank you* to the groups throughout our area for making my attendance at the Northeastern Regional Alcoholics Anonymous Service Assembly (NERAASA) possible! With over 1,300 people in attendance, I was exposed to many different experiences and points of view regarding general service.

Fellowship Connection

Area 59 Eastern Pennsylvania has a robust service structure comprising 48 districts. We have 1,607 active, registered groups; 26 of which are virtual. Fellowship Connection is the database that our General Service Office uses to track all registered groups and their representatives. The information in this database is only as good as what we put into it. So please help by submitting all changes through the “Group Change Form” on our website. DCMs are granted read-only access to this database so that you may view and download reports at any time. I am always happy to send you reports on your district.

Mini-Assembly & Delegate’s Conference Reports

Thank you all for helping to organize the two Mini-Assemblies! I will be in touch with you all individually in the coming weeks to confirm your assigned roles in these events. If you are doing a presentation, skit, or game, you can communicate with your partner DCMs to make plans. *Please note:* If you will be incorporating audio/visual technology (PowerPoint presentation, film, etc.) you must submit it to our Tech Servant Fred at least 5 days before the event. If the presentation is too large to email, Fred can create a folder for you to upload the presentation to. The day of the event, you should arrive 30 minutes before the start to check in with Fred, and have your presentation on a laptop or thumb/USB drive as a backup.
