

Here is what A.A. says about A.A

Alcoholics Anonymous is a fellowship of men and women who share their experience strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership. We are self-supporting through our own contributions.

Alcoholics Anonymous is not allied with any sect, denomination, politics, organization, or institution; does not wish to engage in any controversy; neither endorses nor opposes any causes

Our primary purpose is to stay sober and to help other alcoholics achieve sobriety.

Dear A.A. Member,

Bridging the Gap is a program to help you make the transition from meetings in a facility to the Fellowship outside. If you would like to participate, you can be matched after your release with a member close to where you live. This temporary contact will go with you to as many as six meetings, introduce you to other members and help you become comfortable in your new A.A. surroundings. During this time you will most likely find out more about home groups, sponsors, working the steps and service.

Your pre-release contact is temporary only. The volunteer member will accompany you to meetings, answer questions and help explain the A.A. program of recovery. They will not provide housing, food, clothing, jobs, money, or other such services. You will probably hear the same basic suggestions shared with all members; don't drink, go to meetings, read the Big Book, call your sponsor and work the steps.

Experience has shown that attending a meeting as soon as possible after release is very important in making a sober adjustment to a new way of life. Many of us have been where you are now and we know the A.A. program and the Fellowship can do for you what it has done for us.

Alcoholism is sometimes linked together with other addictions as substance abuse. Non alcoholics are frequently introduced to Alcoholics Anonymous and encouraged to attend meetings. Although any visitor who is interested in A.A. may attend open meetings, only those with a drinking problem are meant to attend closed meetings.

Program Procedures

1. As an inside A.A. member you are eligible for this program if you are within three months of your release date.
2. Please fill out the attached form and return it to the A.A. volunteers or mail it to the BTG coordinator. You will find addresses at the bottom of the request form and on the back of this pamphlet.
3. An outside member will contact you within two weeks to confirm your request and your discharge information. Please notify the BTG coordinator or the volunteers if you haven't received a confirmation within that time.
4. You and the temporary contact will make arrangements to meet after your release. Be sure to verify your information such as the date of your release, when you will arrive in the local area, the address where you will be staying and a phone number where you can be reached.
5. The temporary contact will meet you at an agreed upon time and place to attend your first meeting together in the local community.
6. A Bridge the Gap relationship is intended to make your transition from "inside" to "outside" meetings as comfortable as possible. There isn't a fixed schedule but usually after six meetings together the temporary contact will rotate to help the next new member.

Please tear off and return the Request Form to the volunteers.
