

**CPC Report
E.P.G.S.A. Area 59 Panel 73
June 9th, 2024
Area Quarterly Meeting, AQ3**

The CPC Subcommittee continues to meet monthly on zoom on the second Thursday of each month at 6:30 p.m. when there is necessary business to discuss, or in person at Area 59 events that all members are at. Otherwise, there is communication occurring between members monthly. The CPC Subcommittee reached out to the Student Nurses Association of Pennsylvania (SNAP), to attempt to have involvement at their yearly conference, to help inform incoming professionals about the work that AA does. SNAP is speaking with their members currently about allowing the CPC subcommittee to be present at their conference and will have more information at a later date about their decision. The CPC subcommittee has hoped to find a yearly, reoccurring professional conference to attend, and will continue to reach out to other professional organizations to be available at other professional events. The CPC subcommittee continues to work with GSO to help direct CPC inquiries from professionals in Area 59. The CPC subcommittee has also continued to reach out to Area 59 intergroups to address CPC needs as they arise. The CPC subcommittee has continued to attend Area 59 events and set up the CPC display at these events. The CPC subcommittee continues to work on the delegate's recommendations and continues to be available for any districts interested in holding a CPC workshop or that has interest in facilitating CPC work.
