**Digital Communication Report**  
**E.P.G.S.A. Area 59 Panel 73**  
**September 8, 2024**  
**Area Quarterly Meeting, Q4 (Bensalem, PA)**

The Digital Communication subcommittee has met informally at Area events, in-person at the Area Q3 meeting, and communicated via email over the past three months. Our subcommittee roster is down one person due to the ADCM from District 62 stepping down. Thus, we are comprised of one DCM (chair, District 27) and the remainder ADCMs (six total, districts 27, 30, 33, 51, 57, and 67).

The Digital Communication subcommittee was able to accomplish the following items over this past quarter:

- The “Digital Binders” posted to our Area 59 website on the About Alcoholics Anonymous subpage: <https://area59aa.org/about-a-a/>, have undergone some revisions due to as few pamphlets being retired at the 2024 General Service Conference.
- The next edition of our **We** newsletter, intended for July 2024 publication, will be published in August 2024 instead. Planning for this year’s last edition of **We** is well underway, with the goal to be published October 2024 prior to our EPGSA event.
- Digital Communication and Structure subcommittees now have “More Information” webpages our Area website, thanks to Mark B, District 27 ADCM/Digital Communication subcommittee member, Steve P, District 33 ADCM/Digital Communication subcommittee member, Alex N, DCM District 51/Structure subcommittee chair, and Scott F, Area 59 Web servant. This leaves only Treatment and Accessibilities as the only active subcommittee without a “More Information” webpage.
- Digital Placards developed by Kim B, District 62 past ADCM, will be submitted to our Area web servant for posting on the Digital Communication subcommittee “More Information” webpage prior to the Q4 Area meeting.
