Structure Report
E.P.G.S.A. Area 59 Panel 73
September 8th, 2024
Area Quarterly Meeting, Q4 Bensalem, PA

The Structure subcommittee meets virtually on the first Thursday of every month at 7pm. All are welcome to attend and observe. We have made the necessary updates as requested by the Area Committee from the 3rd Quarterly Meeting; this includes the Archives Subcommittee recommendation, the Structure Subcommittee recommendation, and the Finance Subcommittee recommendation. The new manuals for 2025 will be available at EPGSA. We have also formatted the back cover to include a QR Code that provides links to both the English and Spanish translation of the structure manual, the Area map, the area website, aa.org, and a digital GSR Kit put together by GSO. Our E Book is in production and expects to be on the area website no later than EPGSA. Also, on the Area website, under the Structure Subcommittee “More Information” tab, we now have a digital library of District Structure Manuals from around Eastern PA. If you have not sent your District’s manual into us, please try and get it over before November 1st. Lastly, under the more information tab, are suggestions on how to create a district structure manual if your district does not have one and would like more information on how they can create one.

In conclusion, it has been an absolute pleasure to serve Area 59 throughout Panel 73. Thank you to everyone on the subcommittee for all of your hard work during our time together.

With Gratitude,

Alex N.
