**Treatment and Accessibilities Report
E.P.G.S.A. Area 59 Panel 73
September 8th, 2024
Area Quarterly Meeting, Q4 Bensalem,, PA**

This committee met twice this quarter. Once at prior quarterly and again on Zoom. We are scheduled to meet again today.

Recent meeting minutes have been approved and sent to committee advisor, Delegate and Area Archivist.

The committee has continued to support Bridging the Gap and has supplied literature, when possible, to treatment facilities. This committee is continuing to work with intergroups and facilities to expand BTG.

Committee worked with BTG to prepare motion to approve new BTG literature. This will be presented today by committee chairperson.

The committee has received necessary literature and display materials, continuing to stay under our \$1900 budget for the year. We have decided due to barriers in updating our banner stands that we will suggest the next panel do so.

We are looking for facilities or intergroups to purchase literature for or any other suggestions to utilize our budget in the nature of supporting the next alcoholic.

The committee is continuing to make connections with Spanish and ASL translators.

Accessibilities support continues to be available for events within Area 59.

Chairperson reached out to new Veterans Affairs Coordinator for Bucks County to offer support. The committee is seeking more contacts to support veterans in the area.

This committee submitted a webpage draft to Digital Communications this week for the Area website.

Several committee members have attended various workshops with our display, listed below:

June 9th Quarterly 3 in Williamsport, PA

June 30th Bucks Unity Workshop in Perkaise, PA

August 3rd Multi-district workshop in Carnarvon, PA
