

Announcing the 2024

EPGSA Convention Challenge

**Districts eligible through 8:30 a.m.
Saturday, November 9, 2024
(At the start of the annual assembly)**

This year, the Convention Committee is running a Convention Challenge once again! Districts will get one point for each registered attendee (district officer, GSR, member, guest, etc.) and each volunteer. If an individual person both registers and volunteers, that will count as two points. Districts will also get an extra five points for posting the EPGSA event information and flyer on their website. On Saturday, November 9, at the main meeting at 8:00 p.m., at the EPGSA Convention at the Wyndham in Lancaster, PA, we announce the winner of the gift basket and A.A. literature. So the more people who register and volunteer, the higher your district's chances of winning.

**The more people who register, the more
people who volunteer, the more chances
your district has to win!**

***Goodies made in Lancaster along with \$25 of A.A. literature
can be yours for your December district meeting!***

Challenge hosted by Eastern Pennsylvania General Service Assembly Convention Committee

Send us the link to your district's web posting of EPGSA for an extra 5 points and any questions to convention@area59aa.org.
