The Area 59 *Cooperation with the Professional Community/Public Information Subcommittee* has been meeting monthly online and quarterly at the Area Meetings in person. Since joining together in mid- 2024, we have enjoyed the larger group and the support that comes with having a co-chair! Evelyn and Sandra have been fantastic Spanish interpreters as well.

To date, our accomplishments are as follows:

- Assembled "Digital Display" notebooks for each subcommittee member to use with their display
- Assembled "Digital Displays" for each A59 Intergroup
- Hosted both CPC and PI displays for NERAASA, with "Digital Displays"
- Added the Spanish Intergroup to the A59 website
- Attended Area and District events with both CPC and PI displays
- Attended Intergroup PI and CPC meetings to keep abreast of work being done
- Created a presentation on "Anonymity and Social Media" for presentation at the 2024 EPGSA
- Attended various District meetings to disseminate CPC and PI through a PowerPoint Presentation created by the subcommittee
- Inventoried and compiled a list of current literature to be displayed
- Fielded and helped answer questions from GSO regarding CPC and PI as the questions pertained to Area 59
- Continued to work on the Delegate's recommendations for Panel 73 and also created recommendations to pass along to panel 75 as the newly formed CPC and PI subcommittee

In Service,

Alex B and Deb S
