For our group there is but one ultimate authority – the Fellowship of all groups. 3. Each group must be autonomous except in matters affecting other groups or AA as a whole. 4. Each group should be self-governing except in matters affecting other groups or AA as a whole. 5. Each group has but one primary purpose – to carry the message of AA to the alcoholics in their neighborhood.</p>

<p>“Where do I go from here?”</p> <p>Soon you'll be back out there in the real world again. You'll find it's the old world again. You'll have to face all the same old problems that can make all the others sick again. You'll have to face all the same old fears again. You're not the only one who has come back from prison. There are thousands more like you. There are about 2,000,000 of us who are not alone anymore.</p> <p>Back in 1938, two men knew that alcohol had ruined their lives. They knew & would kill themselves if they didn't get help. Their families and friends and doctors couldn't do it for them. There was no personal knowledge or experience that could help them, or cure strong enough to make either of them want to live. They had to find help, and they had to make it themselves because broken families and friends were not enough.</p> <p>Each of the two men had been diagnosed as hopeless alcoholics. Worse yet, they had no money to pay for treatment. By strange coincidence, they met and began to share their common experience with other alcoholics. They found that each other's problems better than their families and friends could ever understand. They also found that the strength and courage they so desperately needed to pass up the last drink that had always proven the way to salvation.</p> <p>(OVER)</p>	<p>Carrying the Message Into Correctional Facilities</p>	<p>F-5: Carrying the Message Into Correctional Facilities</p>	<p>Your A.A. <p>Your D.C.M. District Committee Member</p> <p>What is a D.C.M.? The local A.A. is the group which selects a General Service Committee (G.S.C.). This G.S.C. selects district committee members (D.C.M.s). The G.S.C. also selects district committee members (D.C.M.s) to represent them at the General Service Conference. What is a D.C.M. member? A D.C.M. is a member of a district committee who is responsible for the work of the G.S.C. Each district usually elects three D.C.M.s. The D.C.M.s are responsible for the work of the G.S.C. and for the completion of assigned tasks in A.A. service work that</p>	<p>F-12: Your D.C.M. COMMUNITY</p>	<p>Safety and A.A. flyer</p> <p>A.A. groups can meet up as alcoholics who gather for the sole purpose of staying sober and helping other alcoholics to achieve sobriety.</p> <p>Safety is a topic within A.A. that groups and individuals may need to address to help ensure the safety of all members. Safety is not just about who still suffers. Our Twelve Traditions provide the opportunity for groups to work on the additional shared experience pertaining specifically to safety provided in this service piece. Groups can conduct meetings face-to-face or virtually.</p>	<p>F-228: Safety and A.A. flyer</p>
