GUEST OBSERVER

Each year, Eastern Pennsylvania General Service Assembly invites a Guest Observer to our convention. The guest observer is defined as:

“A person, not in the Fellowship, and with limited access to members of the Fellowship, who has intimate, on-going contact with alcoholics in the workplace, and whose job activities would be enriched by attending our convention/assembly.”

Eastern Pennsylvania General Service Assembly welcomes the Honorable Robert Repard to our 68th Annual Convention and Assembly.

The Honorable Robert Repard is a member of the Special Court Judges' Association of Pennsylvania, currently serving as director for District 3, as well as sitting on several community boards. He currently instructs Defensive Tactics and Court Facility Security for the Sheriff and Deputy Sheriffs Education and Training Program at Penn State University's Justice and Safety Institute. He served 26 years as a Probation Officer with the Tioga County Probation Department before retiring from supervisor in 2011. During his time as a probation officer, he helped develop and implement court facility security measures and office safety protocols, and served as a two term Commissioner to the County Probation and Parole Officers Firearm Education and Training Commission. Judge Repard was named “Outstanding Law Enforcement Officer” by Mansfield Area Jaycees in 1989 and was awarded with the Pennsylvania Juvenile Court Judges Commission Award for outstanding service to the Pennsylvania Juvenile Justice System in 1994.

Let's be friendly with our friends

Friends on the Alcoholism Front

Excerpt from an article
in a 1958 *A.A. Grapevine*

We are told there are 4,500,000 alcoholics in America. Up to now, A.A. has sobered up perhaps 250,000 of them. That's about one in 20, or five percent of the total. This is a brave beginning, full of significance and hope for those who still suffer. Yet these figures show that we have made only a fair-sized dent on this vast world health problem. Millions are still sick and other millions soon will be.

These facts of alcoholism should give us good reason to think, and to be humble. Surely, we can be grateful for every agency or method that tries to solve the problem of alcoholism—whether of medicine, religion, education, or research. We can be open-minded toward all such efforts . . .
