**Chairperson Report**  
**EPGSA Area 59 Panel 75**  
**September 14, 2025**  
**Area Quarterly Meeting, Q4 (Bensalem)**

**Service Calendar**

Provides the dates and locations of events throughout the Area. As locations are selected and announced, the calendar is updated. All Districts have been selected for the remainder of the panel!! I work closely with Lauren to keep the Area Calendar as up-to-date as possible with event and meeting locations.

A big thanks to District 21 for hosting us! And for all the Districts who said Yes to Service!! We appreciate all your hard work and service to the Area!!

**Motions and Business**

All motions need to be submitted 48 hours prior to the pre-area meeting, which is where the agenda is planned. The dates of these meetings are listed in the Service Calendar. The Chair has the right of decision whether motions received after the submission deadline are included on the Area Agenda. The Chair also has the right of decision whether motions are sent to subcommittees for review.

**District Minutes**

We want to know what's happening in your District! I keep a spreadsheet of minutes received from Districts throughout the Area, and we want to read all about yours. If you are uncertain whether we are getting your minutes, please feel free to reach out! Remember you can hit all the officers with one email address [a59officers@area59aa.org](mailto:a59officers@area59aa.org)!

**Robert's Rules Roundtable**

We are meeting on a monthly basis - the first Sunday of each month at 6:30p. Meeting details are sent out prior to the meeting. We have covered Main and Subsidiary Motions. The slideshow presentations are available - just reach out and ask! Please feel free to join us or pass the information along to someone interested within your District!

If you have any questions, concerns, or issues, please feel free to call or email any time! I am happy to help district workshops or functions as it is a joy to be of service and meet your members.

Respectfully submitted,

Tara C.

Chairperson | Area 59, Panel 75
