

**Alternate Delegate Report
E.P.G.S.A. Area 59 Panel 75
3/8/26
Area Quarterly Meeting, AQ2, Milford, PA**

First and most importantly, as Alternate Delegate, my role is to become familiar with conference material and assist the delegate as needed. I've been reading through the background of all agenda items, but with our committee system, I've really been digging into CPC. I've attended the monthly NERD meetings with the other Northeast Regional Delegates and Alternates, as well as the monthly NAAD meeting with all of the North American Alternate Delegates. Thank you for supporting my attendance to NERAASA in Area 28, Maine. Thank you to all who attended the DCM Sharing Session!

I serve as Liaison to the intergroups in Area 59. We had a successful Share A Day with SEPIA which is the Southeastern Pennsylvania Intergroup Association and this event takes place annually. We had about 160 registrants this year! Thank you to all of the presenters. During this past quarter, I have also visited the business meetings for all 9 Intergroups, 2 Zones of SEPIA, and the SEPIA Special Events Meeting to personally invite them to the upcoming All Intergroup Day on 3/28. Thank you for supporting my attendance to the SEPIA Round Up in Cape May this weekend.

I serve as Liaison to our Young People in AA. PENNSCYPAA 37 will be hosted in Bethlehem from June 26th-28th. Rooms are booking up fast so if you'd like to attend, please visit <https://lvypaa.my.canva.site>. The Liberty Bid for EACYPAA will be bidding at the upcoming EACYPAA event in Atlantic City on March 27th-29th. EACYPAA is the Eastern Area Conference of Young People in AA, which encompasses every state east of the Mississippi River. I've also been told Pennsylvania put in a token bid at the recent NECYPAA. NECYPAA is the Northeast Area Conference of Young People in AA, which encompasses every Area in the Northeast Region.

I serve as Liaison to District 68, our linguistic district. I'm looking forward to our upcoming Bi-Lingual Share-A-Day hosted by the Treatment/Accessibilities Subcommittee on 6/6. I also serve as advisor to the CPC/PI subcommittee for the Area and attend their monthly meetings.

Thank you for allowing me to serve!

With Gratitude,

Alex N.
