

**Chairperson Report
EPGSA Area 59 Panel 75.
March 8, 2026
Area Quarterly Meeting, Q2 (Milford)**

Service Calendar

Provides the dates and locations of events throughout the Area. As locations are selected and announced, the calendar is updated. All Districts have been selected for the remainder of the panel!! I work closely with Lauren to keep the Area Calendar as up-to-date as possible with event and meeting locations.

A big thanks to District 62 for hosting us! And for all the Districts who said Yes to Service!! We appreciate all your hard work and service to the Area!!

Motions and Business

All motions need to be submitted **to me** 48 hours prior to the pre-area meeting, which is where the agenda is planned. The dates of these meetings are listed in the Service Calendar. The Chair has the right of decision whether motions received after the submission deadline are included on the Area Agenda. The Chair also has the right of decision whether motions are referred to subcommittees for review.

In keeping with practice to increase transparency, if a motion is received by the Chair and is not put on the agenda, the Chair will report on that motion. This quarter a motion was received from D67 stating "District 67 makes a motion to amend the Area 59 Structure Manual by removing voting rights for past delegates at EPGSA elections." Because the motion included a structure change, I referred the motion to the Structure Subcommittee for further research and investigation.

District Minutes

We want to know what's happening in your District! I keep a spreadsheet of minutes received from Districts throughout the Area, and we want to read all about yours. If you are uncertain whether we are getting your minutes, please feel free to reach out! Remember you can hit all the officers with one email address a59officers@area59aa.org!

Robert's Rules Roundtable

We are meeting on a monthly basis - the first Sunday of each month at 6:30p. Meeting details are sent out prior to the meeting. The slideshow presentations are available - just reach out and ask! Please feel free to join us or pass the information along to someone interested within your District!

If you have any questions, concerns, or issues, please feel free to call or email any time! I am happy to help district workshops or functions as it is a joy to be of service and meet your members.

Respectfully submitted,

Tara C.
