Area 59

EASTERN PENNSYLVANIA
GENERAL SERVICE ASSEMBLY

Meeting Opening:

Tara C., Chairperson Panel 75, opened the meeting with the Declaration of Unity and thanked the hosting district, District 54. Tara C. read from "Concept III" from the "The AA Service Manual."

Acknowledged Guests:

Past Delegates: Pat F., Panel 65; Pete B., Panel 73

Special Servants: Donald H., Area Archivist; Jessica T., Archivist Assistant; Fred S., Tech Servant; Nick P., Assistant Tech Servant; Evelyn P., Spanish Interpretation; Fran, SEPIA Office Manager

Traditions and Concepts:

- Concept 4 – Andrew D., DCM D66
 - ☐ Conference is the annual weeklong conference where decisions are voted on by delegates, trustees, non-trustee directors, GSO staff. The process is outlined in the Conference Charter.
 - ☐ 93 Area Delegates – allows majority of representation and gives responsibility to the GSO staff that carry out the agenda items.
 - ☐ Helps us with our own position. Look at inverted triangle – Group Members – GSRs – DCMs – Delegate.
 - ☐ At all responsible levels (GSR to Home Group, DCMs to District) – "Taking Care" means with thoughtful consideration. Different Areas have different ways of handling voting, etc.
 - ☐ Would be mayhem if we allow GSRs to participate in Area Quarterly Meetings (voting, speaking, etc). We are a large area with a lot of participation and a lot of GSRs. May not work as well here, but up to us as a body about how this will work best for our Area.
 - ☐ Voting at EPGSA – We allow the GSRs to vote for Officers. GSRs are not familiar with who they are voting for. There are ways to get that sorted out. Thinking about this concept, if only DCMs voted – what would attendance look like at EPGSA? He felt like he had a job to do when he was GSR and learn what it was all about and what the officers were doing. He liked participating in service.
 - ☐ Gives sense of belonging and gets people to participate in service.
 - ☐ Traveled as a GSR – even though he couldn't speak, he was allowed to have thoughtful conversations with DCM on the hour-long car ride and he felt he was able to participate through DCM (just as this is supposed to work).
- Concept 5 – Loretta Lucy M., DCM D25
 - ☐ "Right of Appeal" – minority opinion will be heard and carefully considered.
 - ☐ Never saw this in her life. She was at the bottom of the pyramid in business. HR never did anything in the business world.
 - ☐ Democracy is the principle concept.
 - ☐ Delegate gave an example of the right of appeal. The minority gave opinion and the vote changed the body's opinion and they voted differently after hearing it.
 - ☐ Someone brought up a motion, it was voted down, then right of appeal was addressed. Then

they got more votes a second time.

- ☐ Thanked those who helped her today and can't do this alone.
- ☐ Service Manual – Bill wrote this and she hears his voice. Makes her emotional. Read from Concept III and V in the AA Service Manual. AA rests on mutual trust. Trust God, Trust AA, and Trust each other.
- ☐ Thought the hat in the election was so corny but it works and likes it!
- ☐ Spirit of democracy will always survive despite counter forces. Never subject to the tyranny of the majority or minority. Tread the path of world service in the spirit of our 12 Steps, 12 Traditions, and Conference Charter.
- ☐ When in minority, not wrong or stupid. It is ok to have a difference in opinion.
- Concept 6 – Lindsay E., DCM D51
 - ☐ Concept I – Final responsibility and Ultimate Authority. – Group decides.
 - ☐ Concept II – Delegate it to Conference.
 - ☐ Concept VI – Delegate it to Trustees.
 - ☐ Proposed Agenda Items come from us – Delegate votes – Trustees carry out what was voted on.
 - ☐ We trust them to do that (carry it out) and not micromanage them or tell them what to do all the time.
 - ☐ Analogy – Family road trip to Las Vegas. We trust that we will get there and how they will get us there. We don't discuss which flight time, don't dictate or micromanage. They don't dictate or micromanage us.

Volunteers were selected to present on the Concepts at the September Quarterly Meeting:

Concept 7: James R., DCM D49 | Concept 8: Jonathan S., DCM D54 | Concept 9: Tom W., DCM D67

Roll Call | Secretary, Lauren B.

- The Secretary conducted roll call. 6 officers were present, and 39 Districts represented, for a total of 45 out of 54 eligible voting members. Please see the roll call tally attached at the end for details.

Acceptance of Minutes from Prior Quarterly Meeting | Chairperson, Tara C.

- Tara verified members read the March draft minutes (sent a month prior and available on Area59aa.org), and if there were any corrections or changes before voting to approve.
- The minutes were unanimously approved, with none opposed.

Convention Committee Report | Convention Chairperson, Pete B.

- EPGSA is coming! Get ready! 11/13 – 11/16. \$25 for registration. Push people towards website for registration. Let GSRs know that if they are booking a room at the hotel, it comes with the meals. Do not buy banquet tickets if staying at hotel.
- Convention committee members have been assigned districts to visit. Should be reaching out. If you don't hear from them by September, reach out to Pete.
- Volunteers are needed! It is a great way to feel connected and meet new people.
- If you are voting, don't volunteer.
- Critique sheets – Dissatisfaction about the cost. Took into consideration. Looked at removing meal package. After discussion with hotel, it would cost \$30,000 for the rooms we utilize. Registration would go to \$75 - \$100 if we removed meals from the package. Looking into options.
- Provided information regarding space requirements needed for alternate sites. For example,

capacity amounts for various rooms.

- If you have any potential sites in mind, contact Pete.
- Were considering other sites for 2027 but everything is booked for 2027. Don't want to consider other sites in a voting year (2028). Any new potential sites would be for 2029.

Archivist Presentation | Area Archivist, Donald H. – Mini Assemblies / Founders Day

- Group History Forms / COVID Group History Forms have been provided.
- Dr. Bob's last drink. – Impossible for Dr. Bob to have his last drink on 6/10. Looks like his last drink was on 6/17.
- Declaration of Independence wasn't signed until 8/2/1776. We have decided that the 4th of July is our Independence Day. We have decided 6/10 is our Founders Day.
- 6/11/2006 – Was an ADCM. Didn't know what was going on or what he was doing. Looked at the head table and saw Delegate J. Gary. Donald became DCM in 2007 – 2008. Lowell (Delegate) appointed him Alternate Archivist. He has been in Area Service for 20 years and he is ready to rotate out. Met Jessica last panel, she expressed an interest. Met 5/3/25 at the diner and told her what she was in for. Met her at the storage unit. Have been working together ever since. Donald will finish this panel, but he is ready to rotate out and pass it on to Jessica.
- We have 78 years of experience in the Area 59 Archives.

Officer Reports:

Officer at Large, Katie M.

- Inputs the information into Fellowship Connection – once entered, they get a contact ID #. Their personal info follows them in the database. If they move from NJ to PA, she can get that information assigned to the right group. She can work with Membership Services in GSO if there are complex issues.
- Looking to work on inactive or unrepresented groups in the Area. DCMs should have access to Fellowship Connection. If you need access, reach out to Katie.
- New Group Form – for new meetings, Group Change Forms – for any updates (new GSR, new AGSR).

Treasurer, Jen F.

- Paid monthly expenses – storage unit, zoom. Reduced cost of storage unit. It was a personal account, not a business account so we are getting that switched over.
- Recorded expenses and processed contributions.
- Supported Finance Subcommittee on monitoring financial status.
- Signed contracts.
- Checking as of 6/12: \$13,000 ish. Looking healthier than last quarter. Still need contributions. Did just process expenses for Mini I & II, Quarterly Meeting, Bilingual SAD. Now we are down to \$7,000 in checking.
- We still need financial support. Please share with GSRs.
- Have \$19,000 in savings. Did take out \$10,000. Hoping to replenish this panel.
- We are under budget for some things. We did under budget during the budgeting process for NERF & NERAASA and should have allocated more funds. Committees and Officers are all under budget for now.

- Grateful for continued support.
- 23% Contributions have been online. Encourage that because it saves time and expenses on postage.
- Question:
 - ▣ Loretta Lucy M., DCM D25 – Are all checking and savings in interest bearing?
 - Checking is not, Savings is in an interest bearing.
 - Did we put it in a Money Market? – Andrew, Finance Chair said this caught his attention. We were getting less than \$20 a year in interest. It is in a Money Market account. Don't think we chose what kind of account when we switched banks. Room to improve.
 - ▣ Olivia A., DCM D63 – Is there a certain amount we want it to be at before we replenish?
 - Don't have an exact number at this moment but we want to make sure we have enough to cover EGPSA, GSC, etc. before replenishing.
 - ▣ Rob A., DCM D37 – Take a look at different banks – business v. personal. Free checks don't exist on business.
 - ▣ Alex, Alt Delegate – Operating account should be at 20% at the end of the panel per the Structure Manual.

Secretary, Lauren B.

- Area Events Calendar – Lauren approves them making sure there is no personal information. Then it gets sent to the Web Servant for posting. Continue to send event flyers.
- Advisor to Finance and Archives.
- A/V Library – Has a lot of great information. There have been a lot of people checking things out. New items are being added – International, National Corrections, NERAASA, SEPIA Round Up, etc. – Come check it out and use at an upcoming workshop!
- EPGSA – Really need volunteers! Vital to fill slots and this year is an election. Ask non-voting members to volunteer during the election time. Each DCM has a volunteer sign up sheet, there is a flyer with a QR code to sign up, sign up online.
- Confidential roster – Don't share wholesale with members.
- Continue to send District Meeting Minutes to all officers.
- Paper DCM Forms are always available for DCM reports.

Chairperson, Tara C.

- Service Calendar looks sad because we are getting to the end of the panel.
- Tara works with Lauren to keep Area Calendar up to date.
- Thanked Districts for hosting events. It is a big commitment.
- Motions should be submitted to Chair 48 hours before the Area Officers Meeting.
- A59officers@area59aa.org – Goes to all officers.

- EPGSA – In need of volunteers – Need about 150 to make it work. Right now we have 1. Please spread the word and ask people in your Districts to volunteer! ADCMs will be ushering.
- Questions:
 - ☐ Anna A., DCM D48 – Salvation Army require guardians for minors –
 - Since it is a YPAA, how will it be handled? – We were discussing this morning as officers. Intent is to send to YPAA committees to self-regulate.
 - Will this be discussed with Advisory? – Yes. Will be discussing with Advisory, Liberty, and NECYPAA.
 - ☐ Charlie O., ADCM D40 – Ushering is voluntary??
 - It is required, hat included!

Delegate, Dan B.

- All information is in the shared folder (see QR Code).
- GSC – So grateful to attend and carry group conscience of Area 59. Underlying positive energy and sense of purpose this year. Excited for thoughtful decisions made.

 - ☐ Sent the Conference Advisory Results to DCMs. PPTs in shared drive. Will be up on Area website shortly.
 - ☐ Full financial slides will be available as well.
 - ☐ Last quarterly meeting mentioned no reports to be printed. Advisory Action passed to have them printed by cost. Will be \$6 - \$8 per report. Will need to provide to them a rough estimate of how many final Conference reports the Area would want. Will need to get to GSO as soon as possible.

DCM Actions:

- James O., DCM D36 – Are there any districts who have experience with Venmo, PayPal, or Homegroup Online?
 - ▣ Gerry O., DCM D38 – Venmo is used for contributions. Not used often but is available.
 - ▣ Elmer B., DCM D35 – Haven't used Venmo but in Miami they use it and it works well. His church uses it as well. Worth considering. Works for some people.
 - ▣ Mark B., DCM D27 – Had Venmo but moved to Give Butter because it didn't have the challenges. Majority come through there. Maybe half and half.
 - ▣ Robert A., DCM D37 – Were taking PayPal and the account was under a very past treasurer. It was an effort to get possession of the account because it was under their SSN. If they passed away it would be very hard to get their information. PayPal does not have to play by very strict banking rules. Does not want to be personally liable for the funds because locked out of PayPal. Almost lost control of the money in the PayPal account. PayPal will just ignore you and there is not much recourse. Just something to be aware of. Homegroup online – if they go out of business, what is the protocol?
 - ▣ Charlie O., ADCM D40 – Ask for clarification on the question. Intergroup uses square. Homegroup Online does the same thing and it does not set up personal accounts. Looked into Zeffy but requires signing up as a non-profit. Had issues with Venmo and PayPal because of being tied to personal accounts and emails.
 - ▣ James R., DCM D49 – Has a business account for the district. With the account comes Zelle. Not third party. Can accept payments through Zelle.
 - ▣ Lindsay E., DCM D51 – Zelle – One issue is that they are associated with the District

Treasurer's email. Sometimes they will send it to her personal account and she will just transfer over to District.

- ☐ Dylan., ADCM D28 – With Venmo, Treasurer had an issue with Tax Law changes. With business account, they added an authorized signer.
- ☐ Tara C., Chairperson - There are PowerPoints on signing up for third parties on the Area 59 website.

Subcommittee Reports:

Archives | James O., DCM D36

- Meetings held virtually and in person. Encourage group and COVID Group histories.
- Please submit Flyers to Area Secretary for your events, so members of the committee can attend.
- In person meetings are held at storage facility – filing and digitizing area histories and information.
- Halted purchasing window shadows due to cost cutting measures.
- Submitted information to finance on subcommittee spending.

Corrections | Matt C., DCM D45

- Having Corrections workshop on Zoom – Invited CPC/PI, BTG, Area 60 – 6/24/26

CPC/PI | Mark B., DCM D27

- Did District survey on how they are engaging in CPC/PI in the Districts. There was interest. Heard from all districts with exception of like 1 or 2. Working with Districts on how to be helpful and on various events.
- Ongoing project to give to next panel - Digital Presentation - to be used by anyone. Some areas have this so they are taking models from other areas.
- Referrals from GSO on regular basis coordinate with Intergroups and Districts.
- Identifying professionals that are AA members and connecting them with the professional community.
- Convention season for professional groups – they are going to the outward facing conventions / conferences and setting up tables, as well as AA events.

Finance | Andrew D., DCM D66

- Responded and worked with District 68 – Asked to pay a City tax by their landlord. Working with a professional to get to resolution and will share results. Issue is ongoing. – The landlord misclassified the tenants as business. Tenants have to provide information that they are not a business to be exempt from the tax.
- Meeting monthly to review P&L monthly Area finances. Jen and Lauren attend.
- Don't anticipate further money taken from prudent reserve. We need to make sure we have enough funds to prepare for next panel. Heavy expenses at the beginning of the year.
- 20% of the operating expenses to be had in the operating account.
- Unclear if we will have enough funds to replenish the prudent reserve soon but will continue to monitor and review monthly.
- Will not be sending emails. Officers will be sending emails. Chair made an amends for the information that was in the prior subcommittee email. Will work together to provide clear communications going forward.
- Give a 5th on the 5th – was an idea to challenge members to contribute. Will hold off on this challenge, but since mentioned in the prior email did bring it up. You can still contribute, but not making a challenge at this time.

- Inquiry about speaker stipend for an event – was a tradition question – shared with the person who inquired. Abnormal to pay a stipend to speaker.
- Inquiry from Structure – cost to add Asst. Treasury or Asst. Registrar – Workload is a lot for officers – if not attending NERAASA or NERF could be \$2,500, if attending \$4,300.
- Detailed Report on Homegroup Online. If interested, can provide the full report to anyone.
- Finance does not endorse. Spoke with founder for over 45 min. Found him to be an AA member wanting to be helpful. There are risks to consider. 3rd Party holder and serves as clearing house. Operate similar to online bank but without banking safeguards. Simplifies process of changing treasurers, not self supporting (but goal), does take fees (0.9% fee). Does GSO accept contributions? – They said they do since 2018. GSO did not respond.
- Money Market Account – There is a difference between fund and savings account. We have a savings account. Nothing that we need to do. Low interest bearing account.
 - ▣ Delegate – Clarification – Homegroup Online was brought up at Conference. Had a 6 month study and GSO does not accept contributions. Will be sending a letter to Homegroup Online. Being reviewed currently by Legal Dept.

Grapevine / La Viña | Stu, DCM D33

- Met in person twice. Redistributed totes to the Grapevine members for easy carry.
- Small order of books being mindful of Area budget to replace items sold at EPGSA.
- Canceled plans to visit GSO due to cost and lack of member availability.
- Will be looking into new prices.
- Grapevine Workshop – 8/29/26 – Easy Does It.

Structure | Anna A., DCM D48

- Met multiple times.
- Looking at Area calendar and where to be of service.
- Gone through and made changes to History in the Structure Manual.
- Gone through and made changes to other parts of the Structure Manual, clarification in elections.
- Worked on D67 Motion – Taking No Action.

Treatment/Accessibilities | Tom W., DCM D67

- Met multiple times.
- Inocencio will be participating on Area Day planning.
- Bilingual SAD was very successful!! – Recommending that this be continued either annually or biannually.
- Provided feedback to Tech Servants regarding Wordly. Showed it at Bilingual SAD. All feedback has been positive. Wordly is making its way around other Areas. Other Areas that want to replace translators completely with AI have been getting push back. Tom said we use it as a supplement and the other Areas saw that is a better way to use it.

Ad-hoc Digital Communications |

- Emailed out to everyone.

Unfinished Business:

District 67 Motion referred to Structure Subcommittee

- *Anna A., Structure Chair – Structure worked for months on this and have provided Background on the reason why they are taking no action. 10 Past Delegates vote, equaling less than 2%. Conflict between Tradition 2 and Concept 4. Other Areas work different based on size, amount*

of Areas, etc. and it is very difficult to find an Area like Area 59. Each Area is autonomous. This does not affect AA as a whole. Committee took No Action.

New Business:

Selection of Guest Observer for the 2026 EPGSA Convention | Tara C., Chairperson

- *Please go back to Districts, talk with GSRs, and bring back to the September Quarterly Meeting. Chair will be sending the information out again and will touch base to see how we can help.*

Chairperson Actions – Amended | Tara C., Area Chairperson

Amended to say “to call for a motion to refer”

Motion was approved by Charlie O., ADCM D40 and seconded by Tom W., DCM D67.

- *Summary of Discussion:*
 - *None.*
- *A vote was taken:*
 - *Motion passed unanimously. 45 – 0*

Structure Recommendation – Structure Manual Revisions | Anna A., Area Structure Chair

- *Summary of Discussion:*
 - *Lindsay E., DCM 51 - # 21 – Nothing was highlighted. What was the change?*
 - *No change – Just printed the page to make it easier for people to read.*
 - *Olivia A., DCM D63 - #19 – What prompted the change to have the Chair chair instead of the OAL?*
 - *It was an oversight in the prior panel and felt it should go back to how it was.*
 - *Tom W., DCM D67 – Tellers – had a clarification – Tellers are those that count votes. Should we change to supervisors?*
 - *Good question – just used the same word that was used before and kept teller.*
 - *Olivia A., DCM D63 – Tellers – On page # 25, if there aren’t enough, new ones will be selected by the Delegate and Convention Committee. – Tellers are current past delegates.*
 - *Dan B., Delegate – Point of Information – Delegates are Teller appointers not the actual tellers. Those that vote are not tellers. It does say past delegates serve as tellers but they aren’t the tellers. They oversee the tellers.*
- *Tom W., DCM D67 – Motion to move the motion to separate # 25. Olivia A., DCM D63 seconded.*
 - *Would rather not change it to something worse. May want to clarify the language some more.*
 - *Motion passes to split # 25 from the original motion – 28 – 2*
 - *Minority Opinion: None.*

A vote was taken on the amended motion without the # 25 change:

- *Motion passed – 43 – 0*

A vote was taken on the separate motion for the # 25 change:

- *Summary of Discussion:*
 - *Olivia A., DCM D63 – Would it be appropriate to make a motion to refer?*
- *Olivia A, DCM D63 made a motion to refer to the Structure Subcommittee, Tom W., DCM D67 seconded.*
 - *Summary of Discussion:*
 - *Gerry O., DCM D38 – What is the language proposed to be changed? Chair clarified that it is the current form.*
 - *James R., DCM D49 – Only change recommended is the language highlighted in yellow. The rest is what is currently in the Structure manual.*
 - *Olivia A., DCM D63 – There could be more clarification on tellers. If we are not using the word properly, we can clarify so there are no additional questions on this issue. Would be less confusing.*
 - *Dan B., Delegate – After looking at it more, it says Past Delegates are tellers and other tellers are counting. – it should be referred because it needs to be really clear to address questions.*
- *A vote was taken to refer motion for # 25 to Structure Subcommittee:*
 - *Motion passed – 37 - 1*
 - *Minority Opinion:*
 - *Alex N., Alt. Delegate – If this gets sent back to Structure, they change the Structure Manual, this would not be ratified before business concludes this panel. The Structure Manual would come out with the current language. If we change now, we will have a change. However, if we kick it back to Structure, nothing will happen.*
 - *Motion to Reconsider – Motion was made by Olivia A., DCM D63 and seconded by Greg M., DCM D47*
 - *Motion passed – 38 – 0*
 - *Summary of Discussion:*
 - *James R., DCM D49 - Point of Order: Motion to amend what was written. Past Delegates serve as Supervisors. Delegate serves as Head Supervisor.*
 - *Tom W., DCM D67 – Point of Order: Voting on Motion to Refer to Structure, not amending the motion.*
 - *Dan B., Delegate – Wordsmithing on the floor to amend something is very difficult to get right. We can either try our best to amend it here, have old language, or have new language. If we refer back to Structure, we won't get it done this panel.*

- *Tara C., Chair – Point of Clarification: Structure Manual online is always the most current, up to date version.*
- *Motion to refer to Structure*
 - *Motion fails – 25 – 14*
 - *Question was brought up if it is 2/3rd or minority opinion.*
 - *Reviewed How the Conference Operates for either Substantial or Simple.*
 - *Dan B., Delegate – It is 2/3rds. AA deviates from Robert's Rules here. Page 175 in the AA Service Manual.*
- *Original Amended Motion of only # 25:*
 - *Delegate clarified that there are actual tellers, actual captains of rows, ensuring that we get the correct # of ballots back, etc. Supervisors would not be the appropriate word.*
 - *Anna A., DCM D48 – This issue came up because of the inference that past delegates count the votes. They don't count the votes, they just carry the buckets.*
 - *Motion to table amended motion of only # 25 to be after New Business made by Lindsay E., DCM D51, seconded by Robert A., DCM D37.*
 - *Motion passed to table amended motion of only # 25 until after New Business – 39 – 3.*

Structure Recommendation – Structure Manual History Revisions | Anna A., Area Structure Chair

- *Summary of Discussion:*
 - *Olivia A., DCM D63 – On # 13, it says D68 was boundary-less – is that accurate? It is in the confines of Area 59.*
 - *Inocencio C., DCM D68 – On the list, can't find D68 anywhere. Why? What year?*
 - *Anna A., DCM D48 – It is in the Structure Manual but got cut off on the printing of the background of the motion.*
 - *James R., DCM D49 – It is boundary-less.*
 - *Dan B., Delegate – Boundary-less is what they use when they proposed the district. It doesn't mean that it is anywhere. In quotes it means the language they used historically. Donald clarified that was in 1993.*
 - *Alex N., Alt Delegate – Point of Information: Spanish Intergroup covers the other Areas. District 68 only covers Area 59 Spanish speaking meetings and maybe some Delaware Spanish Speaking meetings that are on the border participating in Area 59.*
- *A vote was taken:*
 - *Motion passed – 44 – 0.*

DCM D51 Motion – All current DCMs and Area Officers to submit a written service resume prior to EPGSA for voters to reference during elections.

- *Seconded by Tom W., DCM D67*
- *Tara C., Chairperson called for a Motion to Refer to Structure Subcommittee.*
- *Motion was made by Taylor S., DCM D44 and seconded by Pete Z., DCM D42.*
- *Summary of Discussion:*
 - *Taylor S., DCM D44 – Have some concerns of what it may entail. What kind of resume and how to get a hold of it? Have some questions before making large changes to how things are done.*
 - *Andrew D., DCM D66 – Sitting on a subcommittee for the last 2 years feels like working blind when investigating new ideas without hearing how the Area feels about it first. Feels like we should give the Area's voice first and give thoughts to Subcommittee. Should give feedback to the Subcommittee from the Area first.*
 - *Lindsay E., DCM D51 – If referred, nothing will be done this panel and would be up to next panel to do something with it. Kept it vague to leave it up to Structure after the fact and how to implement it.*
 - *Elmer B., DCM D35 – Asked for clarification on the motion. Tara clarified that we are limiting our discussion to the motion right now, which is referring to subcommittee.*
 - *Mark B., DCM D27 – Believes we should refer it. We get a chance to process it a little more and if it runs into the next panel, we can have more discussion and thoughts on it, then it can be considered. Things run slow in AA for a reason. This is a big deal. Not sure where he stands currently. This idea on rushing things through because it might not finish this panel is ok. We are doing a service to the next panel by having these discussions and working through the issues.*
 - *Lauren B., Area Secretary – Likes motion. Remembers a similar motion from a few panels back, so is glad to see that the conversation is still happening. Should be referred for further review and discussion. There may be someone who goes to the convention, has a God moment in the Assembly, and wants to stand for a position. What would happen with that person if we do a written service resume? Do they lose out on the opportunity because they didn't submit a resume ahead of time?*
 - *Tom W., DCM D67 – Motions die with panel changeover. Would like to hear what people have to say. If we refer it and push it down the road, we may not get to hear that.*
 - *Dan B., Delegate – regarding things dying at the end of the panel – it is up to how good the idea is. Subcommittee recommendations are passed on to next panel by the Delegate. Dan forwarded all recommendations from prior Subcommittees to the Subcommittees this panel. If there is a good idea that makes sense, it will be brought forward by the next panel. In favor of referring it because of logistics. Not enough information on how we get these resumes and how collect them. Logistically it would not be possible to do before November. So many unanswered questions that it doesn't make sense to rush through to get it done.*
- *A vote was taken:*
 - *Motion to refer passed – 28 – 11*

▪ *Minority Opinion:*

- *Tim S., DCM D65 – Heard some back and forth – can we actually talk about it. Wants more information, not less. Passing it down and hearing both sides today would be good to pass on to our GSRs and being more informed in the future.*
- *Andrew D., DCM D66 – Went to Area Inventory and there was the big issue of who to vote for. Knew it was a problem. There is a resistance to change. By the time we are comfortable making motions, it is at the end of the panel. If we don't know what the conversation is going to look like, we should have it anyway. We should have the conversation now and take the time to deal with the issue. We are all here now and we are aware of the issue. Concept IX – sound method of appointing leaders. Answer is we don't have that currently.*
- *Motion to reconsider made by Olivia A., DCM D63, seconded by Ellen G., DCM D21.*
 - *Motion passes – 20 – 18 – (only need simple majority for motion to reconsider)*
 - *Discussion: None*
- *Motion to refer to Structure Subcommittee fails – 10 – 23*

Discussion on the Original Motion from DCM D51 –

- *Lindsay E., DCM D51 – Hopes everyone read the background information. Has even more information. Reached out to several Areas that all do verbal service resumes at the microphone. Other Areas are shocked we don't have anything similar. They asked how we get people to know who they are voting for. Lindsay explained by having GSRs go to Area events, but reality is not many show up to the events. District 51 is a large district and only a handful come to Area events. GSRs are not informed. Elections are already very lengthy so this may be a good idea. Looked at other Area Structure Manuals – 28 had either a verbal or written service resume. Some have people submit service resumes and there are templates online. If they don't submit one, they are not precluded from standing but they just don't have that advantage available. Some Areas you don't have to be present at the election. Will help GSRs make informed decisions.*
- *Tom W., DCM D67 – Lauren asked if this would stop someone from standing? Clearly not. That is not what we are voting on. Gives opportunity and GSRs agree that anything would be better than what we currently do. Would be hard to screw it up. If we send back to our groups, we can try whatever we come up with. Wouldn't be wrong to try.*
- *Christine B., DCM D31 – Feels like it is part of her duty to invite Area Officers to her meetings so GSRs can get to know them personally. Sends DCM reports to her GSRs so if any DCMs stand, they will have an idea of what the DCMs are doing in their districts. Having GSRs read a resume will take away the personal and service opportunities we have.*
- *Lauren B., Area Secretary – Previously served as an Officer in another Area. They did verbal service resumes in that Area, she went up and said what she did. In that previous Area, there was only her and another person standing for the Alt. Secretary position. When she stood for Secretary in that Area, she ran unopposed. Very small percentage of*

participation there. Would get maybe 130 GSRs / DCMs voting at the election versus here where we have over 500. Just numbers-wise, there is a much smaller pool of people standing in that Area versus here. Concerns about if someone is not a very polished, well-spoken person and another person is an eloquent, energetic speaker, would presenting themselves at the mic be a barrier? Things to think about.

- Katie M., OAL – Likes the idea behind it, it is a good idea in theory. Not sure if everyone will be reading the resume. A lot of people could not tell her and Devon apart at the last election when voting. Maybe needs more time to be flushed out and see what could work for our Area.
- Olivia A., DCM D63 - Likes the intent behind motion – some have great resumes that she would never want representing her. Some may be new to service and be absolutely fantastic. Experience matters for something but they shouldn't be voted in with experience only. Literacy should not be a barrier. Speaking well shouldn't be a barrier. Some may be literate or speak well and do terribly and vice versa.
- Jen F., Area Treasurer – AI – Someone can put together a nice resume and not be qualified at all for the position. Likes intent behind it, but thinks logistics and how it will be implemented in a large area like this. Ultimately, we need more information and refer to Structure.
- Tim S., DCM D65 – In favor of more info, not less. There will be GSRs that will read, GSRs that won't read. Gives opportunity for them who want it to have the information available. People who want to cheat the system will cheat the system. Can function more efficiently. Motion says to have all current DCMs and Officers submit a resume. If you don't submit one, you don't submit one. Everyone is to submit one. If you don't stand, that's fine.
- Robert A., DCM D37 – At local elections, you have to look to see who you want for dog catcher. People don't do the research. Each GSR should be personally responsible for looking up who to vote for. They should do their homework. Spirit can move someone to stand up, but doesn't mean they are the best choice. People should be responsible for knowing who is standing. The Area Officers work really hard and it is a lot of work. This is part of our system and this is part of a faith system as well.
- Andrew D., DCM D66 – Glad we are having the convo. Trying to get a group of people to make an informed vote. Already have a crazy weekend we are trying to pack it all in. GSRs elect the officers at the district, why can't DCMs elect the officers at the area. Against the motion but for having the discussion.
- Deborah H., DCM D26 – Can see both sides. If you have a sponsor, sure they told you how they got to be a DCM. You share the information. Everyone knows how ADCM becomes the DCM. Started as an AGSR. Sponsor got her to become the GSR. DCM became an Officer and she had to rotate to DCM. Shared at plain old district meetings and in sponsorship. We know how we got to be DCMs. First paragraph will be the same thing... copy and paste. GSR, ADCM, DCM, etc. Like what DCM D65 said. It is important to understand and we need to have simple, every day conversations. People asking "who is that?" "how do they get there?" Need to share openly. Can't remember voting for any officer this panel.
- Charlie O., ADCM D40 – Spirit of rotation – need to inform those that are rotating into the position.
 - Made motion to amend to a verbal service resume at EPGSA. No second.

- *Mark B., DCM D27 – Deals with Roberts Rules in his profession and learned more in this program about Roberts Rules that bring more democracy. Doesn't know if there is another process about having a discussion without a vote. It is complicated and wants to have more discussion. Against it as it is now. Not convinced we have a problem. Complaints that people don't know who they are voting for. We don't campaign and we have rotation. Rotation takes pressure off. Things work itself out. If someone gets in and is bad, it works itself out because we rotate. Resumes don't do what our Tradition and Concepts suggest (Concept IX). Thinks it is a process and not a problem. It worked. It is uncomfortable but it is an opportunity for them to get a service sponsor and be told why the values are important (no campaign, spirit of rotation)*
- *Pete Z., DCM D42 – To serve as an officer, need to have certain amount of sobriety. Feels like adding on to the requirements of being an officer. That you would need to have all these extra items to qualify for the position instead of just being willing to be of service. Nothing that says length of sobriety.*
- *Jeff L., DCM D34 – Has been voting for 10 years at EPGSA. Finally a topic worthy of him coming up to microphone. Thought it was the dumbest way to vote when he went 10 years ago in Gettysburg. Giving 60 resumes to people to read before EPGSA is not valuable. Giving them smaller bits of information may be valuable (the person served on this committee, DCM of this district, etc). Reading 1 page resumes for many people – no one will read. The only reason people change their votes after the first round in the election is to get things to move along. Best idea was to have DCMs vote instead of having GSRs show up and vote for people they don't know.*
- *Anna A., DCM D48 – Likes verbal or written resumes. Send delegate to GSC to bring back the information for all of us to make the most informed decision. We are here now to make the most informed decision. Take items back to district to make the most informed decision. Elections are important and GSRs don't know and aren't given the information to be informed.*
- *Tom W., DCM D67 – If we bring back to groups and then is brought back in September, can it then be voted on to have it referred to Structure? Yes, because it is a structure change and it would go back to Structure for wordsmithing.*
 - *Motion fails – 8 – 33*
 - *Minority Opinion:*
 - *Tom W., DCM D67 – If we vote it down today, we can't talk about it anymore. If we say yes today, we can talk to the groups.*
 - *Tara C., Chairperson – Point of Information: it would not be discussed this panel, but could come up in subsequent panels, but we will not entertain a motion during the rest of this panel.*
 - *Tim S., DCM D65 – This would go to Structure for wordsmithing. It doesn't require background information, but most people have background information when submitting a motion. We don't have that in elections. Doesn't want to take the option out of the person's hands. We are taking it out of the GSRs hand and that is wrong. They may want this information.*

- *Jeremy S., ADCM D55 – Has attended EPGSA about 9 times. Commonly heard that people are uninformed for the vote. Had a lot of service activity at the Intergroup level. Shocked that he had to submit a resume to be on the steering committee for Intergroup. Level of willingness to put together service positions, sponsor, knowledge of concepts, etc. shows willingness to serve and to the position you are wanting to serve in. Verbal may be great.*
- *Lindsay E., DCM D51 – Why not bring it back to the groups to get their feedback. Motion came from her and not district. They didn't vote on it because she didn't think she was going to get to speak about it because it would be referred to Structure. Only 1 GSR had attended EPGSA at her District and other GSRs were confused that they get to know who they are voting for in advance. Would be good to get the discussion going.*
- *Motion to Reconsider – Andrew D., DCM D66 and seconded by Tom W., DCM D67.*
 - *Motion fails – 13 – 24*

DCM D67 – Motion to amend Area 59 to remove voting rights for Past Delegates.

- *Seconded by Tim S., DCM D65.*
- *Summary of Discussion:*
 - *Tom W., DCM D67 Didn't think anything wrong with Past Delegates voting. Since they are on the Convention Committee, was told it was fine. Think it is a spiritually sick practice and doesn't belong in the structure. Should hear from the Groups. No reason given for doing it regarding the Traditions and Concepts. Groups never had a voice on this issue. First time it was brought up was in 2011. Talked to people, read it, and Delegate at the time used shame and said it was a slap to the face. Said it was the very least we could do for them and most groups don't know what the Past Delegates do for the Area. Felt it was blackmail. It went how dare you? We are placed to put principles before personalities. Have a great deal of respect but we don't owe them a lifetime vote or honor. Recognizing the problem is not disrespectful either. Concept I is the groups have the final authority and ultimate authority. Heard argument on Concept IV – Concept IV is about Conference and not about EPGSA. Would not override Concept I or II. ADCMs organize and help at the election. If planning made you qualified to vote, why not Donald or Fred or ADCMs or Hotel Staff? What about EPGSA Treasurer who is not a Past Delegate? He was a past DCM and doesn't get to vote. Principles are being violated. Past Delegates don't want to rotate out completely and don't want to give up their reigns. This is not our practice. Never will be. Bill warns about it in our literature. Read from Step 6. People from other Areas (CA, DE, OH) are voting for Delegate here in Area 59. They get a free hotel room all paid for.*
 - *Matt C., DCM D45 – Agrees with DCM D67. Groups should hear this and have their opinions be heard. Warranty 1 in Concept 12 – never being a seat of perilous wealth and power. Voting rights for the rest of their life. Not disrespect but*

principles before personalities.

- *Andrew D., DCM D66 – Past Delegates do a lot for our Area but that is not enough to dictate that they should have a vote equal to a group to vote for officers. Past Delegates have GSRs and they have their voice through their homegroup's GSR. Past Delegate being active other than Convention Committee with more duties, then maybe it would make sense.*
- *Alex N., Alt Delegate – Structure reported the Past Delegates voting block have no material effect on the actual outcome at EPGSA for Area Officers. Agrees with Andrew on the authority and equal responsibility but brings with the lens of what the Past Delegates bring. Past Delegates have served in the roles that the DCMs and Officers are standing for and know what is required of the job. They have a unique ability to discharge that vote for the most qualified candidate. We may not have had a delegate that served in every single position, that is ok. They are able to see from behind the scenes sitting quietly in Area meetings and events and see who is doing the best job. Past Delegates attend these things on their own because they support and love Area 59. Value that they served in these roles because he didn't know what he was signing up for when he stood for the position. It has helped him in his own sobriety. They do a lot outside of the Convention. People don't understand the magnitude of putting on the Convention. Who would carry that workload? Would the Delegate have to put together a committee to carry the workload? Delegate already does a lot and it is unrealistic. Not in favor of this motion because the most dangerous thing is an uninformed group conscience. If brought back to the groups, how informed will they be about the scope of the work that the Past Delegates are actually doing outside of the Convention? They continue to serve Area 59, attract others to serve, assist DCMs and Area Officers, put themselves out there and say "call if you have any questions." How many people take them up on that offer and call them? We should stop lumping the Past Delegates together and seeing them as an enigma and talk to them individually.*
- *Motion to Suspend the Rules was made by Tim S, DCM D63, seconded by Anna A., DCM D48.*
 - *Motion passes – 36 – 0*
- *Olivia A., DCM D63 – Has a Past Delegate as a service sponsor. Has great appreciation for all he does. Thought is they served in previous positions, therefore past OAL should be able to vote since they know what it takes to be an OAL. That logic doesn't hold up. They have voting rights within the Convention Committee that they are participating in. It's not that they have 0 voting rights. If the incentive to do service work is a vote, then that is a broader issue.*
- *Lauren B., Area Secretary – Previously served in another Area. In that Area, even though Past Delegates don't have a vote, they have a voice, which she feels is more detrimental. Past Delegates can influence how people vote on motions by having a voice because DCMs see Past Delegates as elder statesmen and could vote that way. That she feels is worse! Each Area is autonomous and in her old Area, the Past Delegates have a voice, but not a vote. Here, in Area 59, the Past Delegates have a vote and it is only every other year at EPGSA for Area Officers. That is the only time they vote. Looking at the numbers, there were 541 voting*

members at the last election at EPGSA, 496 of 541 were GSRs. That makes up approx. 92%. When we look at Past Delegates, there are 10 Past Delegates tops. That is less than 2%. We are talking about 10 people total out of 541 people. We are in parity with the General Service Conference - staff, trustee, non-trustee directors, etc. - they all vote as well as the Delegates. The Delegates have more than 2/3rd of the vote for a reason. Here in Area 59, 92% of the voting members are GSRs. The Past Delegates here serve on the Convention Committee. In other Areas, Past Delegates don't do much service work. Some Past Delegates don't show up to Area events in other Areas. Here, Past Delegates are very involved. We can use our time wiser on doing 12 step work instead of talking about less than 2% of the voting body.

- Pat F., Past Delegate Panel 65 - Loves being sober and being a Past Delegate. Had surgery and has to keep her foot up, not just kicking back and relaxing. Past Delegates are not above anyone, AA members like everyone else. They have a block of experience and rich history that doesn't exist anywhere else. Here in Area 59, it is like AA on steroids. Best Area and not like other elections in other Areas. Some Areas have 130 voting and 2 people standing. People are standing because they are proud of our Area and want to support our Area. 10 Past Delegates – people come to them as counselors, service sponsors, researchers, include them in events, facilitate elections / inventories, get phone calls, etc. Many, many things that they do. Have a sense of the pulse on what is going on in the Area. At an event yesterday and she was asked “Do you know everybody?”. She does and she loves them all. If you are involved and put yourself out there, you know what is going on. She is there to help with the District with workshops, find venues for Area events, etc. They do a lot more than the Convention Committee, which is also a lot of work. Enjoys every bit of it. It is an autonomous committee and voting rights are not involved in Area 59, but within just the Convention Committee, not with the Area Committee. Appreciate the fact that they feel the way they do and want to voice their opinion and totally oppose the motion. Past Delegates are a block that belong in Area 59. They have the Experience, Strength, and Hope. Have done research about those that are about to become officers and are a resource for those on the panel. Don't advice people who to vote for but tell them to look at the reports online and the reports on the chairs at the convention to see what people are doing and to be informed of who is doing what. Prefer that they use their own conscience to vote for whoever they believe would be the best in the role. Welcomes any questions. Always there to help in any capacity she can. Consider this: Why is there a need to knock the past delegates out? Is this a personal thing? What is the need? Was not aware of this. Sees the respect for the Past Delegates, and if there is anything they can do, they are there for the Area.
- James R., DCM D49 – You have the report in front of you. Structure Subcommittee had done a lot of work, lot of meetings and discussions, talked to Past Delegates in our Area and other Areas. Voted unanimously in the Structure Committee to take no action.
- Robert A., DCM D37 – Have been in organizations similar to this and people are not doing this for the votes. These jobs are a lot and very grueling. Once you have been king of the kingdom, you will always be king even after you step down. Here we are all equal. In this case, people are putting in a lot of work. I will vote for them

v. I would vote for them. I can do this v. I will do this. No one is more qualified to tell you who is not qualified for the job than someone who has done the job.

- *Lindsay E., DCM D51 – Structure Manual states Past Delegates have a vote. Is that true if they served in any Area, have to be living here, Past Delegate from this Area only?*
 - *Tom W., DCM D67 – They had this vote on a separate occasion. A Past Delegate from another Area came in and saw Past Delegates could vote. They had a separate vote saying that only Past Delegates from Area 59. That does not address Past Delegates who moved from other Areas to Area 59. But we do have those that live elsewhere that vote in Area 59 because they served here as Past Delegates.*
- *A vote was taken*
 - *Motion fails – 5 – 30*
 - *Minority Opinion:*
 - *Matt C., DCM D45 – Clarified that it is strictly voting rights for EPGSA and not kicking out Past Delegates.*

Structure Recommendation – Structure Manual Revisions | Anna A., Area Structure Chair

25 of the Structure Motion that was tabled earlier

- *James R., DCM D49 – Can we make a motion to refer back to Structure Subcommittee again?*

 - *No Discussion.*
- *Motion to postpone the motion until September Quarterly was made by Tom W., DCM D67 and seconded by Tim S., DCM D65.*
- *A vote was taken.*
 - *Motion passes unanimously.*

38	6/11/2026	Many home groups have had anniversary celebrations over the past few months. In most cases our district Grapevine Committee have attended the events and made numerous literature sales at the anniversaries, to the point that we have to reorder more books for them to have available for more upcoming events. Area Archives Committee also was in attendance at some of the anniversary celebrations. Visitation efforts to groups that currently do not participate in district meetings and activities has been coming to fruition, for our meeting attendance has been gradually increasing. .	Our district Archive Committee is in process of updating our district archives booklet. Our recently updated district structure manual has been printed and distributed to all participating GSRs and is given to home groups when visited by a district officer or representative, encouraging more participation by groups, that are somewhat inactive. The district will be welcoming the SEPIA Finance Committee at an upcoming meeting, for a presentation on their state of affairs and need for more/continued donations by home groups. Our district is also considering holding a district picnic, possibly in the Fall of this year. . 32		3/6/2026	District is doing good. Attendance was pretty good in February. We invited Alt Del/Alex to be our guest this month. We were happy to have him. October through now I have some group changes that I have been trying to work with the Area OAL (Claire was helping prior and now Katie is. We had 1 new group we needed to get registered in Area ,1 that it was being relayed from another District they were in our District so I worked on getting that resolved. January meeting we had 2 new GSR's that were kind of in Limbo as well so we got them straightened out and I have been doing my best to get info in Fellowship Connection up to speed with our District with (Claire prior) and Katies help. Updating them on groups that closed and now I am focusing on getting GSR info accurate or seeing what needs to be done, if anything on our end. I know that is still a work in progress but if it is anything we can do or that is missing due to us - I would like to do so. Claire was extremely helpful and Katie has been great. The Delegate Survey, Agenda Item List and Background Folder access was all provided to GSR. Reminders will be sent out to get Surveys submitted BY MARCH 11 for those that may be submitting and encourage them to do so. Also, continue reminding them EPGSA this year is a voting year, to see if they can continue to make sure their groups know so they can support them in sending them this year. . Decision was made by GSR's to reimburse DCM and other essential D37 travel at IRS business mileage rate and not at Area 59 current rate, or IRS volunteer rate. 40		3/8/2026	It was a quiet winter after our annual Christmas and New Years alcathons, and New Year's Eve dance. Right now the district is hurting financially after sending DCM and ADCM to Maine for NERAASA. Right now we are focusing on agenda items, but after April we will be focusing on planning some fun low-cost/high "profit" events. The district is always hosting events to promote fun and fellowship especially for new comers, but we tend to spend a lot of money on them. Right now we need to recover financially because EPGSA will be here before we know it!	Working on planning. 54	3/6/2026	Our biggest success this year as we prepare for the pre conference share is our GSR night out. We find a meeting in our district that is does not have a GSR at the district meeting and bring news and support from the area to that meeting. Each month we choose a different meeting. •DEC GSR Night Out - Welcome Media Beginners!! Two new individuals recently took over this meeting and were un informed about GSR and the business meeting. Was great to meet and share with them. They have not made it to a business meeting yet but still hopeful. Jan GSR night out was to a meeting that we accidentaly thought was in out district but turns out they were in another and very well attended. Their meetings GSR did not know who is DCM was so atleast there we were able to help. FEB We went to Media speakers and recruited the GSR who is wearing several hats because they only have 3 officers. However he came to the business meeting and was ready to bring pre conference share agenda items back with him. All n all the GSR night out has been really successful!! D54 has a lot of personality and very opinionated and ready to vote and discuss things for the preconference share.
