

Alternate Delegate Report

E.P.G.S.A. Area 59 Panel 75

9/13/26

Area Quarterly Meeting, AQ4, Fayetteville, PA

As Alternate Delegate, I continue to stay up to date on all happenings within GSO and the General Service Board.

As the Area's Intergroup Liaison, it has been a pleasure to visit the various Intergroups and Central Offices across Eastern Pennsylvania. It is heartwarming to see how the work we do in General Service assists in making 12-Step work available. Thank you to the Area for sending me to a litany of Intergroup events.

As the Area's YPAA Liaison, I'd like to extend a heartfelt thank you for allowing me to attend the Pennsylvania State Conference of Young People in Alcoholics Anonymous. Their enthusiastic way of attracting newcomers is contagious. Also, we hosted a wonderful YPAA & Area 59 Share A Day to discuss some spicy topics that may come up in our increasingly digital and litigious world. Lastly, I'd like to announce that the Eastern Area Conference of Young People in AA (EACYPA), is being hosted in Philadelphia on May 27th through 30th in 2027 and already has over 500 registrants!

As the Area's Linguistic District Liaison, I have been able to witness history in the making. There have been talks of a new Spanish Speaking Linguistic District forming to be more accessible for members and create more Spanish speaking meetings in the more Central part of the state.

Area Day is right around the corner! Please share the info with your Districts. Our theme is, "We Spent All Your Money...Find Out How". Area Day is a smaller, more intimate setting to showcase the ways Area 59 makes 12-Step work available and the roles of the subcommittees and officers in Area 59. The planning committee has been hard at work to deliver a fun and informative day. We'd love to see as many people as possible on 10/24.

Lastly, we are 60 days out from EPGSA and we need volunteers! Volunteers can fill out the form online, scan the QR code, or simply contact me or the Area Secretary. They can select their preferred time to assist and we will do our best to accommodate their requests. Please ask your GSRs to get involved, as we cannot function at any level of service without their participation.

It has been a tremendous honor to serve as your Alternate Delegate for Panel 75.
Thank you for allowing me to serve!

With Gratitude,

Alex N.
